Honesty the Best Policy

An honest medicine is the noblest work of man, and we can assure our readers that Dr. Fowler's Extract of Wild strawberry is not only reliable, but is almost infallible to cure Cholera Morbus, Dysentery, Canker of the stomach and bowels Duke and the various Summer Complaints. whose sttacks are often sudden and fatal

The companies of the 14th, P. W. O. Rifles, now garrisoning Fort Henry, Kingston, are to be disbanded.

Four persons were drowned and two fatally injured by a collision between two schooners at St. John's, Nfld.

A National Evil

There is no question but that Dyspepsia is the national disease of our country, and when complicated with diseases of the Liver and Kidneys is the cause of untold misery. Burdock Blood Bitters will almost invariably cure the worst case known.

Mr. D. M. Cameron, M.P., has been renominated for the Commons by the West Middlesex Reformers.

A party of Kerry moonlighters have been surprised by the police, one of their number shot dead, and six taken prisoners.

In Season

It is now in season to warn our readers against the sudden attacks of Cholera, Cramp, Colic and and the various Bowel Complaints incident to the season of ripe fruit, vegetables, etc. Dr. Fowler, s Extract of Wild Strawberry is the grand specific for those troubles.

There is a split in the Tory camp at Lennox over the rejection, by a majority, of Mr. Pruyn's candidature for the Commons and the selection of Mayor Wilson, of Napanee, as the standard-bearer.

Of Vital Importance

It is just as essential that the human body should have pure blood, as that a tree or plant should have sap to nourish and invigorate its growth. Nearly all our bodily ills arise from unhealthy blood, Burdock Blood Bitters purifies this fountain of life, and regulates all the vital organs to a healthy action.

Indications are not wanting of rapid advances on the part of the Liberal party in Canada. Hon. Edward Blake's meetings recently have been great successes, and everywhere he has been received with open arms. At Renfrew village, after 7 and 8 North wharf finishing his speech on Tuesday, the entire

audience rose to their feet and cheered tumultuously.

A Word of Explanation

The liver secretes bile to move the bowels; the kidneys secrete urine to carry off uric acid, which would poison the blood; the stomach secretes gastric juice to digest or dissolve the food, etc Burdock Blood Bitters acts upon these organs and purifies the blood by cleansing all the secretions of the

The comedy of Sir John and his organ, the Mail, is still kept up. Among some of the questions which the Mail has promised to deal with since it entered upon its "independent" career, is that of temperance. Of its attitude on this question the Toronto Globe says :-

The Mail and Sir John in their time have no doubt played many parts, but we question if they have ever ventured on anything so utterly out of keeping with all their antecedents as this threatened crusade in favor of temperance drinks and universal prohibition. We thought they were pretty hard pushed, but we did not imagine that they were so thoroughly in the regions of despair, as this new de-parture seems to indicate. Of course the dodge is transparent enough. Sir John will. as in duty bound, keep square with the liquor interest. He will in due time again repudiate the Mail, while he will wink all the time in the devout hope that his Temperance Conservatives will follow the path indicated by his faithful henchman, Bunting.
