franchised Indians who exist in tribal and to provide himself with an immense relations, who cannot make a will, who patronage by the appointment of hundreds cannot enter into a contract, who are not and thousands of commissioners throughfreemen-on these was the franchise con- out the Dominion. It would give him the throughout the country to believe that three or four and shall leave the remain- ferred. As I have said, these electors are power of saying to the liquor dealers "I not free men, they are under the control am the great Mogul. I am the man in of an agent, the agent is appointed by the whom it lies to say on what conditions Times Superintendent, and the Superintendent your licenses shall be granted or refused." General is Sir John Macdonald (applause) Mr. Blake rose in the House of Commons and their unenfranchised Indians, pagans and pointed out the dishonesty and inconwho have not bowed to or acknowledged sistency of Sir John's contentions, stating the name of Christ, these pagan Indians ( that by this act a great power was taken without knowledge, without education out of the hands of the provinces, and that and without anything beyond what is this attempt of taking the issue of liquor given to them, living in their tribal relicenses from the local and municipal aulations, were enfranchised by this man thority, was but another stroke aimed at and placed on the same footing as you are provincial rights. Sir John then said "I and there votes were given to them to have not the power to enact this bill, but I am passing it because it is a necessity. My telligent taxpayers in these Maritime construction of the decision in the Hodge Provinces. (Applause.) case is that the Provincial Legislatures have

INFAMOUS TACTICS. no power to pass these bills, and in order to make good my constitutional opinion I I say we are having from him a repedeclare that the laws of Ontario. Nova tition of the old story, he is fighting us

Scotia, Quebec and New Brunswick are as of old-tying the hands of his opponot worth the paper they are written on. nents fast behind their backs, striking I say it is free to every man to sell liquor them below the belt, and I say there are when or where he likes, therefore, it is the thousands of honest Conservatives in those necessity of the case which lays upon me provinces-there are Conservatives in this the need of passing a license law." This room -who cannot and do not endorse was the first argument he used. In answer or approve of that infamous action. I to this statement Mr. Blake pointed out hope they will carry their convictions to with remarkable ability and perspecuity the polls. I hope they will be prepared that the only rights upon which liquor when the time comes to cast their vote icenses were to be granted were vested and in such a manner as will show that they vested only, in the Local Legislatures and resent such an interference with their Government. He said the decision of the liberties and rights, because it is an inter-Privy Council in the celebrated Hodge ference to give such power to these men case, which had been argued by the and to make them co-equal with the taxgreatest constitutional lawy ers, was against payers of this Dominion. (Applause.) the contention of Sir John. Did the prem-To-morrow we are to have an election ier when this was conclusively proved like in the County of Haldsmand, which was an honest man admit he was wrong? "No," represented by my late friend Col. Thomphe said, "I passed the bill because I was son, as honest and true-hearted a Liberal bound to do so. Now that the Privy as ever lived. What are we going to Council have shown me it is true that I have? They have added to the electorate was wrong in saying I was obliged to pass there 125 Indians. I do not know but 1 the bill, I will now main ain the bill is have been told that only 13 of the 125 right as a matter of public policy. I will are Christians, the other 112 being Pagans obtain a subservient majority who will living in their tribal relations. In the rise at my beck and call to vote for the noble county of Haldimand, where parties bill." He did so, and then another appeal are divided as they always will be dividon the very act itself was carried to the ed in free English speaking constituencies, Privy Council, and that body decided Sir that county with its division of opinion in John's act was not worth the paper it was political matters, will be swamped, by written on. And the commissioners had whom? Is there a man in this room who been drawing their pay, and the inspectors believes that 125 will march to the polls, who had been drawing their pay and the believing or knowing what the true issues poor unfortunate men who had been inducare that lie between the parties, or will ed to pay their license fees found that the they come led by the agent who feeds whole thing had gone to pot and that great them, clothes them and vote for the man constitutional lawyer as usual, was wrong.

(Cheers.)

THE COST OF HIS FAILURES. Gentlemen, these repeated efforts of Sir

John Macdonald, and these repeated deci-

sions of the Privy Council, have gone to

show that the man was not the lawyer he

was represented to be. They have gone

further to show that he was prepared to do

anything, to carry nothing but that which

would centralize power in Ottawa, deprive the Provinces of the rights that they had

heretofore possessed and which they had

exercised so well (cheers.) I say that

Prince Edward Island is better able to

pas a license law for the people of that

Island than are those in power at Ottawa.

The local legislatures, I say, are the proper

places for such matters, and they having

dealt so well with these matters in the past;

the power should not have been sought

to remove them. However, in the end it

turns out that Sir John Macdonald was

the Riel question. As a sample of The Women's Christian Temperance the oratory and stage effects indulg-Union of the Maritime Provinces has issued a circular of which the following ed in, it may be mentioned that Hon.

Thomas White, Minister of the In\_ it a copy,--"The following Resolution was passed at terior, in an incendiary speech at the Fourth Annual Convention of the Cayuga, unrolled a portrait of Riel Women's Christian Temperance Union of with a rope around his neck, and the Maritime Provinces, held at Windsor, sneeringly remarked:-"This is one N. S., on the 1st September, 1886. In view of the evils arising from the cirof the new saints of the Roman Cath-

olic Church." Bribers in the Government interest were in every secmand it. tion of the constituency, no less than

four of them being caught in the act that the Liberals were well organ-

ized and their party sharply on the

about still further prosperity. He said to the electorate-and I am not now using language of my own but that of the premier and which he has placed ou reco d, -"I have the best of authority for saying that if my policy is endorsed by the peo-ple at the polls again, there are millions in the hands of capitalists "abroad waiting to be invested in this Dominion, to build up factories, to build up this country, and make it a great manufacturing centre. That was a solemn promise and assurance for any man to make and place on record,

but on the strength of it, made in the most solemn manner possible, the Government throughout this Dominion.

MAKE HIM ANSWER

Now, as he comes before the electorate again, we stand up and ask him "where are these millions that you said were ready to pour into this Canada of ours?' (Ap plause.) "You said they were ready and all the people needed to do was to endorse the National Policy. You told us you knew where the millions were, and you had the names of the capitalists in your pocket. You told us that millions of money would flow into this country just as soon as the verdict in favor of the N. I was recorded. Now this being so we ask you where are the millions of money, and how about you solemn promise and knight. ly word ?" (Applause.)

FALSEHOOD AND DECEPTION

And although it may be termed and said to be disrespectful to use strong language at a political meeting of this kind. truth compels us to brand these as untruths, as a deception and a wicked lie, and when he comes before you again or when any of his nominees come before you-you who have been cheated, you the electorate who have been chiselled, have the right to say, what about your broken promises, what about your lying promises? Now, gentlemen, he is coming before the electorate to-day. I say he has ceased to fight his opponents in

has violated the rules of all fair fighting. NERO FIDDLES WHILE ROME IS BURNING.

What has he done now? Twelve mouths have scarcely passed over our heads-he stretched out his hand ; rebellion was rife in the Northwest; our troops were pressing forth to suppress it; we were united in our efforts to establish law and order and we were bound to enquire into the causes; but in the meantime every Canadian was a unit in saying that the rebellion must be suppressed, But while these efforts were being made, while we put forth hercule in
