Under the personal supervision and management o

the most distant from Chatham-having not arrived. There was little discussion, for the Chairman, Thos. Gaynor, Esq., voiced the sentiment of all present, when, in calling the meeting ! tion of C. A. Everett, M. P., the Sheriff to order, he spoke of the considerations which should influence the delegates in The Sheriff said the present agitation was not present.] their selection and their duty regarding | the result of the publication of an adverthe one man who seemed to be the popular choice of the County. Those who spoke did so, either heartily approving of Mr. Snowball as the standard-bearer of the party, or making enquiry in reference to the course the convention should pursue in the event of it being obliged to make another choice. The nomination of Mr. Snowball, being unanimously carried, the Chairman so reported to the general understands the important business concerns which demand his attention. and which are also of no small moment to the County at large. After expressing his appreciation of the honor done him by the delegates' choice, and stating that he could not do otherwisewere that choice ratified-than to accept the position of the party's candidate in the election, he was bound to tell his

Board of Trade was held, at which it was deemed prudent to have the advertisement before them before taking action. Such information having been obtained, a requisition was presented to him, asking meeting on the return of the delegates him to call a public meeting to consider thereto, and on motion being made for the matter. Mr. Harding read extracts the ratification of the nomination Mr. from the advertisement, and said he Snowball spoke. What he said was | would give credit to the government for plain and satisfactory to everybody who being plain and honest in their statements. There was no question whatever what was meant by the advertisement. It remained now for the people of St. John to be equally as emphatic in their determination and to request that the name of St. John be substituted for that of Portland wherever it appeared in that advertisement. There was nothing, he contended, which would justify the government in taking away this line of steam. ships from the port. Such actions as
