ed with stealing a watch and some mone from Mr. Dunlap. A rubber coat which the prisoner had stolen the night before from Mr. Turney Manzer was found in his possession, but the police have failed to find any trace of the watch. Arbo will be examined before the police magistrate on Tuesday next. -Gleaner.

OFF THE TRACK:-The Northern & Western train to Chatham on Thursday last, jumped the track near Zionville sta. tion. A flat car was smashed and the passenger car considerably damaged. The passengers, among whom was His Lordship the Metropolitan and Mrs. Medley, fortunately escaped unhurt. The roadway was torn up for a long distance, and the accident delayed the train about an hour.

PERSONAL -Mr. W. M. Tweedie, M. A., of London University, a former student and graduate of Mount Allison, who, as Gilchrist scholar, has spent the last five years at some of the leading universi. ties of England and Germany, has been added to the staff of Mt. Allison University, becoming Professor of English literature and Modern languages.

Rev. F. H. Almon is to resume his position as Curate of St. Paul's, Halifax. For several months the Rev. gentleman has been supplying the pulpit at Yarmouth in the absence of his son, the Rector, who has been enjoying a vacation in England.

YANKEE TRICKS:-Between 60 and 70 sail of American fishermen, ogether with the cruiser Vigila nt, arrived at Souris, P. E. I., last Friday night, in anticipation of a storm. The men came ashore and indulged freely in "Scott Act." Some of them drugged the chief officer of the Vigilant, and afterward assaulted him and tore off the buttons and braid off his uniform. Sub-Collector Foley wired Capt. Cordon the stateof affairs, and he arrived in the Acadia, Sunday morning, and took the Vigilant away, replacing her by the cruiser Critic.

NOT CANNED MEAT: -In its 'Gloucester Gleamings" the Telegraph says :--

"The ADVANCE was in error in stating a few days ago that George Bouchie had been Mr. Wm. Allison, one of its most respectpoisoned by canned beef at Camp Bogan. The fact, are that there was no canned meat in C the man, effects of poison, but from cramps that he
