THE SALARIES OF REGISTRARS. Mr. Black seconded by Mr. Humphrey, committed his resolution to fix the salaries of registrars, instead of paying them by fees as at present, Mr Baird in the chair. Mr. Black said he had taken this mode of getting the opinions of members on the question. He thought registrars should be paid fixed salaries. There was no doubt that some registrars in this province made out of the fees a very large salary His idea was \$1,000 or \$1,500 should b quite enough salary for that official. I the fees were paid into the county and the registrar paid a fixed sa'ary, he thought there would be a saving to the province. Hon. Blair, Hon. Ritchie, Tweedie, Stockton, Park, Atkinson, Killam, White and Hutchison spoke. Mr. Tweedie pointed out (and his opinion was shared registration was too great.

discussion and moved that progress be proposed to remove the same? reported with leave to sit again .- Carried. THE DOAKTOWN BRIDGE.

Mr. Park moved his resolution as to whether it was the intention of the government to rebuild the Doaktown bridge, and if so when? Hon. Mr. Ryan said it was the intention

of the board of works to enter into a contract for the bullding of the bridge, or to purchase the railway bridge. of private bills, and suggested that the Mr. Tweedie moved his resolution in reference to the removal from office of cer-

tain Northumberland officials. Hon Mr Blair said the government

would be happy to furnish any proper information on the subject. Mr. Labillois moved his resolution in reference to the appointment of Thomas

Russell, as scaler in Restigouche. He had no fault to find with Mr Russell, but he understood the appointment was made without either himself (Labillois) or his colleague being consulted. Hon. Mr. Mitchell said there was no correspondence on the subject. Mr Russell was appointed in the usual way

after having passed the proper examination | advt. ABOLISHING THE LEGISLATIVE COUNCIL.

Hon Mr Blair moved his resolution in reference to abolishing the legislative | See Mr. Ruddock's advt. council His object in moving in the matter so early was that it might be dealt with thoroughly. He made motion for the purpose of elicting the opinions of members on the subject. He had intended looking up the past history of this agitation. The subject was first taken up in 1879, the governor's speech that session containing a reference to the proposed change in the constitution. The abolish. ing of the legislative council was also the declared policy of the then opposition and present government. The present feeling in the country is decidely in favor of doing away with the council. When the question of abolishing it was first voted upon in this house, the resolution was carried by a very large majority, only some few witing against it, and he believ. Saturday, making charges against the Fredericton.

ed that they voted against it on the ground editor of the Advance, which he, of It is claimed that the Maritime Bank that they did not think the government was sincere. bie success has been shown in curing

Headache, yet Carter's Little Liver Pills are equally

valuable in Constipation, curing and preventing

his annoying complaint, while they also correct

and regulate the bowels. Even if they only cured

Ache they would be almost priceless to those who

suffer from this distressing complaint; but forta-

pately their goodness does not end here, and those

able in so many ways that they will not be willing to do without them. But after all sick head

is the bane of so many lives that here is where we

Carter's Little Liver Pills are very small and

very easy to take. One or two pills make a dose. They are strictly vegetable and do not gripe or

purge, kut by their gentle action please all who ase them. In viais at 25 cents; five for \$1. Sold by druggists everywhere, or sent by mail.

SAMPLE ROOMS. For Commercial Men

Members of Board of Trade, Corn and Mechanical

THE demand for Sample Rooms to accommodate for the commercial travellers being so great, and the supply being inadequate, causing the travellers in some instance to remain three or four days awaiting their turn has induced the subscriber to build two Sample Rooms, well lighted, aired and warm. Commercialmen can depend on obtaining just what they require, bein situated in the central part of the busness community, namely, corner Main and Wesley Streets, they will be found to be far more suitable, comortable and convenient. Should a horse and sleigh be required it will be furnished without additional expense. Rooms se creed either by letter or telegra HENRY G. MARR,
