GENERAL NOTES AND NEWS

A series of incendiary fires in Sioux City, Iowa, are attributed to the bitter fight between

the liquor dealers and prohibitionists.

Father is Getting Well.

"My daughters say: 'How much better father is since he

used Hop Bitters.' 'He is getting well after his long suffer-

ing from a disease declared incurable. 'And we are so glad that he uses your

Bitters.' 'Lady of Utica, N. Y.

A passenger with the nightmare attempted to leap from the window of a

police car on the Pan Handle route, near

Pittsburg. The porter caught him, dragged

him back and woke him up.

How to Gain Flesh and Strength.

Use after each meal Scott's Emulsion; it is as palatable as

milk and easily digested. Delicate people improve rapidly

with its use. For Consumption, Throat Affections and

Bronchitis it is unequalled. Dr. Thos. Prim, Ala., says: 'I used

Scott's Emulsion on a child eight months old; he gained four

pounds in a month.'

Mrs. Van Slyke, the wife of a minister in Kingston, N. Y.,

stopped a runaway horse, saved several children from death

or injury and put every man on the street to shame.

Did She Die?

"No! 'She lingered and suffered long, pining away all the time for

years. 'The doctors doing her no good! 'And at last was cured by this Hop

Bitters the papers say so much about. 'Indeed! Indeed! 'How

thankful we should be for that medicine.'

Volcanic fires are reported from Western North Carolina

An Atlanta man who appealed against a fine of \$50 for violation of the

Prohibitory law was fined \$1,000 in the higher court.

A Daughter's Misery.

"Eleven years our daughter suffered on a bed of misery.

"From a complication of kidney, liver, rheumatic troubles, and

Nervous debility. 'Under the care of the best physicians,

'Who gave her disease various names, 'But no relief! 'And

now she is restored to us in good health by a simple remedy as

Hop Bitters, that we had shunned for years before using it.'

THE PARENTS.

One of the papers, in commenting on the recent vote in the

United States senate on the women's suffrage amendment,

declared that sixteen senators were willing that women should

become voters, and thirty-four preferred that they should

remain angels. The angels will continue as before to scrub floors,

wash dishes, and clean houses. -Little Deveraux Blake in The

Question.

Free Trade.

The reduction of internal revenue and the taking off of revenue

stamps from Proprietary Medicines, so done, has largely

benefitted the consumers, as well as relieving the burden of

home manufacturers. Especially is this the case with

Green's August Flower and Berber's German Syrup, as the

reduction of thirty-six cents per dozen, has been added to

increase the size of the bottles containing these remedies,

thereby giving one-fifth more medicine in the 75 cent

bottle. The August Flower for Dyspepsia and Liver Complaint,

and the German Syrup for Cough and Lung troubles, have

perhaps, the largest sale of any
