CARTER'S LITTLE LIVER PILLS.

CURE

Sick Headache and relieve all the troubles incident to a bilious state of the system, such as Dizziness, Nausea, Drowsiness, Distress after eating, Pain in the Side, &c. While their most remarkable success has been shown in curing

SICK

Headache, yet Carter's Little Liver Pills are equally valuable in Constipation, curing and preventing this annoying complaint, while they also correct all disorders of the stomach, stimulate the liver and regulate the bowels. Even if they only cured

HEAD

Ache they would be almost priceless to those who suffer from this distressing complaint; but fortunately their goodness does not end here, and those who once try them will find these little pills valuable in so many ways that they will not be willing to do without them. But after all sick head

ACHE

is the bane of so many lives that here is where we make our great boast. Our pills cure it while others do not.

Carter's Little Liver Pills are very small and very easy to take. One or two pills make a dose. They are strictly vegetable and do not gripe or purge, but by their gentle action please all who use them. In vials at 25 cents; five for $1. Sold by druggists everywhere, or sent by mail.

Farm Notes.

The onion crop must have nitrogen. Ashes have frequently been applied where the same plot was planted year after year, but they are lacking in nitrogen, and sooner or later the bottom will go out of the land.

Lice are frequently very troublesome to setting hens. Powdered sulphur should be sprinkled in the nests. Never use a nest a second time without thoroughly fumigating and cleansing.

WAGONS UNDER SHELTER.—During hot summer weather wagons and buggies should be kept housed, and if possible in a building where the wheels may rest on the soil. Running a wagon on a dry floor and leaving it there for weeks is a little better than leaving it exposed to the sun and rain, but not much better than keeping it under a heavy foliaged tree, where both will be mainly excluded.

Should a wagon or buggy tire become a little loose from shrinkage of the felloes, instead of taking the wheel to the shop to have the tire cut and replaced, get half a gallon of linseed oil, and after heating it pretty well, pour the same in a shallow dish and give the rim of the wheel two or three slow turns around through it; the oil penetrating the felloes will so swell them that the tire will become as t ght as ever.

Where lice are very troublesome to the birds, Persian insect powder should be blown among the feathers. For ten cents, a bent glass tube can be procured from almost any drug store. Dip one end of the tube into the powder; a quantity of which will enter the tube, insert it under the feathers, blow smartly down the other end of the tube, and the powder will scatter over the body of the bird A simple and cheap method.

Wood ashes decompose bones. Expose to the weather a barrel filled with alternate three-inch layers of broken bones and ashes for several months, and on examination the bones will be found to be reduced to a jelly-like substance, forming phosphate of potash, one of the most powerful as well as lasting fertilizing materials known, and one which, when exposed to the sun for a few days, may be easily reduced to powder—the very best condition for applying to the land.

Manure plowed under does not come in contact with grain roots or potatoes, as a general thing. The strength of the manure will come up to the roots, but if it is spread on top, the moisture of the ground and the rain will leach the manure, and it will mix with the soil and will bring extra results.

Unleached ashes if applied in sufficient quantities will kill out the weeds. The worst difficulty is that it is too expensive, not only to secure the material, but also to spread them on the land. The greater part of the work of killing by cultivation can nearly always be made of benefit to the growing crops, and in this way the expense may be materially reduced. But if you undertake to eradicate any noxious grass that grows either by seed or from the roots make preparations to do thorough work and keep it up until the work is accomplished.

GENERAL NOTES AND NEWS

BAIRD'S FRENCH OINTMENT cures Itching of the Scalp, or any Eruptions thereon, it stimulates the growth of the Hair, a small quantity applied to the head of children keeps them in a clean and healthy condition.

If your child is suffering from worms, we would recommend you to give at once Dr. McLean's Vegetable Worm Syrup, it is not only a safe and effectual remedy, but an exceedingly pleasant one.

Miraculous.

"MY MIRACULOUS CURE was that I had suffered from kidney disease for about two years, was off work all that time. A friend told me of B. B. B. I tried it, and am happy to say that I was cured by two bottles." Wm. Tier, St. Marys, Ont.

Father is Getting Well.

My daughter's say:

"How much better father is since he used Hop Bitters.

He is getting well after his long suffering from a disease declared incurable.

"And we are so glad that he used your Bitters."—A LADY of Utica, N. Y.

Did She Die?

"No!

"She lingered and suffered long, pining away all the time for years."

"The doctors doing her no good;"

"And at last was cured by this Hop Bitters the papers say so much about."

"Indeed! Indeed!"

"How thankful we should be for that medicine."

A Daughter's Misery.

"Eleven years our daughter suffered on a bed of misery."

From a complication of the kidney, liver, rheumatic trouble and Nervous debility. Under the care of the best physicians, Who gave her disease various names, "But no relief",

"And now she is restored to us in good health by as simple a remedy as Hop Bitters, that we had shunned for years before using it."—THE PARENTS.

Consumption Can be Cured

By proper, healthful exercise, and the judicious use of Scott's Emulsion of Cod Liver Oil and Hypophosphites, which contains the healing and strength-giving virtues of these two valuable specifics in their fullest form. Dr. D. D. McDonald, Petitcodiac, N. B., says: "I have been prescribing Scott's Emulsion with good results. It is especially useful in consumptive tendencies." Put up in 50c. and $1 size.

Cholera Infantum.

That terrible scourge among children may be speedily cured by Dr. Fowler's Extract of Wild Strawberry. All forms of bowel complaints, nausea and vomiting, from an ordinary diarrhœa to the most severe attack of Canadian cholera, can be subdued by its prompt use. It is the best remedy known for children or adults suffering from summer complaints.

A Professional Opinion.

Rev. F. Gunner, M. D., of Listowel, Ont., says regarding B. B. B., "I have used your excellent Burdock Compound in practice and in my family since 1884, and hold it No 1. on my list of sanative remedies. Your three busy B's never sting, weaken or worry."

A Living Miracle.

"My infant daughter was taken ill with cholera infantum, the doctor said she could not live. The Reverend Wm. McWilliams would not allow her head to be lifted when he baptised her, she was so weak. Dr. Fowler's Wild Strawberry gave immediate relief. She is a living miracle, hale and hearty. Since that time (7 years) our house has never been without that remedy." * * * * From statement of George Johnston, Harwood Ont.

A Business Letter.

T. Milburn & Co., Tilsonburg, March 15th 1887.

Sirs,—Please ship at once three dozen B. B. Bitters. Best selling medicine in the shop. Sold seven bottles to-day. Yours truly, C. Thompson.

The above sample is one of hundreds of similar expressions regarding the popularity of B. B. B.

Nature makes no mistakes.

Nature's own remedy for bowel complaints, cholera morbus, cholic, cramps, vomiting, sea sickness, cholera infantum, diarrhœa, dysentery, and all diseases of a like nature belonging to the summer season is Dr. Fowler's Extract of Wild Strawberry, which can be obtained of all dealers in medicine.

Notice to Mill Owners.
