ARRESTED. - The Transcript says that on Monday afternoon, Mr George P. Thong, barrister of Moneton at the instance of Mr. Charles E. Knapp, Clerk of the Peace, Dorchester, was arrested by Constable Balmer on a charge of perjury. He gave recognizances for his appearance on Saturday, the 18th inst., when he will appear before David Grant, Sitting Magistrate. The arrest arose out of Mr. Thomas making oath before Mr. Knapp in January last, that Daniel O Regan did not reside in Moncton or in the Province of New Branswick, Lut on the contrary resided in Amherst, N S .: whereas Mr. Knapp claims in his information that Mr. Thomas knew that Mr. O'Regan was at the time a resident of Moneton.

When? MR. EDITOR: -- The Advocate says that a Mr. Farrell was High Sheriff of the County of Northumberland at one time. I am quite an old resident of Newcastle, but I fail to remember any such person as having been High Sheriff, nor did I ever hear of it until the Advocate made the statement. When was it?

Scott Act In Parliament The House of Commons debate on the prohibition resolution was resumed on Monday by Mr. Casey, who showed that, by the Scott Act itself, the duty of enrefused to do their duty, and even refused and the demoralisation almost necessarily to agree to amendments necessary to in. loccasioned to their young men by election and announced that he would vote on the Six Nations. against all three of the propositions before

Mr Lester argued that to repeal the Scott act, or to impair it by allowing the use of ale and beer, would be a gross breach of faith towards the people of the counties which have adopted that act. Mr. Wood, Brockville, said that the Scott act was not enforced and, therefore, there was an unrestrained sale of liquor in the county. He preferred a icense system to this state of affairs. He believed the majority of those who supported the Scott act now favored its repeal. It was impossible to enforce a On Monday evening of last week Mr. law which made a certain act legal and Snowball happened to go down on his proper in one county and illegal and

New Orleans, La. Seek Fortune's em.

There is no lumber growing in America to day, says a Boston, Mass., paper, which sells at so low a price, in comparsion with Fisher moved an amendment to the amend. poses, where strength, stiffness and lighttime enough to consider the question of lumber. Spruce lumber has always been compensation when a prohibition measure supplied so cheaply to builders that its was introduced. The house divided on real value has been under-estimated, or Fisher's sub-amendment which was carried | perhaps, overlooked. It is a lamentable by 91 to 88. The vote was then taken on | fact that the grand spruce forests of or even to lumber dealers.

The principal growth of spruce in Sir John Macdonald said the question and is of much slower growth than sapling was irregular. If notice of it was given pine. A scarcity of spruce, which is not likely to occur in this generation, would, however, prove a most serious inconvenience to builders.

The supply of pitch pine in the Southern States is greater than the agis the better wood. On the other hand, in the construction of ordinary dwelling houses, roofs and light work, spruce is Sir John Macdonald-The government preferable. It is light, strong, and easily know their responsibility, and do not want | worked. When spruce can be used, it is much more economically handled and framed than southern pine. A carpenter would hardly take the gift of southern pine for the plates, girts and posts of an ordinary frame house if he could buy spruce at present rates. Norway pine has only about two-thirds the transverse strength of spruce; sapling pine is deficient in strength in comparison with spruce, although easily worked.

The great development of Southern industries has infused new life and enterprise An Ottawa correspondent writes to the into the lumber manufacturing of that section. Duke of Wellington!

Imported by the Northumberland Agriculturrial Society, will make the seaon of 1887 on the same terms, etc., as last year. His route will embrace Blackville, Indian town, Derby, Newcastle, Neison, Douglastown, Napan DUKE of WELLINGTON is a Black Clyde Stallion, rising 6 years old, by Bismark, a pure Clyde Horse which took four 1st prizes at Rothay, Scotland, and other places. Bismark was by ld Marquis, and is now 10 years old, stands 17 hands high, with great power and superior accion, was bred by R. G Riddle, Esq., Felton Park,

from his celebrated prize-taking Black Mare by

OLD MARQUIS. Old Marquis was bred by Alex Lang, Garniland, Paisley, and took first prize at Barrhead, Paisley, and at Johnstone when one year old, these shows being open to all Scotland. When two years old took first prize at Roth-ay. Marquis' dam was bred by Mr. James Simpson, Bute, and took seven 1st prizes at Rothsay and all her produce or the commercial travellers being so great, and took prizes. Marquis' Grandsire was Sampson, the supply being inadequate, causing the travellers bred by, Mr. Logan, Crossfeat, Kilbareban. just what they require, bein situated in the cen- don Grange, near Wetherby, stands 17 hands high tral part of the busness community, namely, corner Main and Wesley Streets, they will be found to by Derbyshire champion out of a Mare got Should a horse and sleigh be required it will be and Old Oxford by Bringham's Farmer's Glory. furnished without additional expense. Rooms so Old Blooming Heather was got by Heather Jock and obtained in 1859 a Medal at Edinburgh and 1st Prize at Carlisle and 1st Prize at Langholm, and when 5 years old obtained the £40 prize at the Mid-Calder in County Edinburgh. Blooming Heather was a good black and his dam was by Black Rattler, Grand Dam by Waggoner. Any further information can be given by
