The reduction of internal revenue and the taking off of revenue stamps from Proprietary Medicines, no doubt has large. ly benefitted the consumers, as well as relieving the burdens of manufacturers. Especially is this the case with Green's August Flower and Boschee's German Syrup, as the reduction of thirty-six cents per dozen, has been added to increase the size of the bottles containing these remedies, thereby giving one fifth more medicine in the 75 cent size. The August Flower for Dyspepsia and Liver Complaint, and the German Syrup for Cough and Lung troubles, have perhaps, the largest sale of any medicines in the world. The advantage of increased size of the bottles will be greatly appreciated by the sick and fillicted in every town and village in civilized countries. Sample bottles for 10 cents remain the same size
