GENERAL NOTES AND NEWS

Rev. Father Keller, of Yonghul, Ireland, was placed under arrest last Friday.

Food for Consumptives. Scott's Emulsion of Cod Liver Oil, with Hypophosphites, is a most marvelous food and medicine. It breaks the irritation of the throat and lungs, and gives flesh and strength quicker than any other remedy known. It is very palatable, having none of the disagreeable taste of the crude oil. Put up in 50 cents and \$1 sizes.

The King of the Tonga Islands has closed the Wesleyan College at Tonga.

The police in St. Petersburg have been informed of extensive Nihilist preparations for deadly work.

22 Street Railway Drivers in Luck. The Lombard and South Sts. Railway, Philadelphia, boasts of a "combine" which has just made \$15,000. The "combine" consists of twenty-two drivers and conductors, and the rules of the association require the payment of \$1 per month by each member to the transfer agent at Twenty-third and South Sts., who invests the sum in Louisiana State Lottery tickets. The first monthly investment of the club resulted in the purchase of ticket No. 73,987, which won a \$15,000 prize on Feb. 25th. The members of the "combine" are wild with delight. --Philadelphia Herald, Feb. 14.

A Rome despatch states that the Holy Office is likely to ratify Cardinal Tachean's condemnation of the Knights of Labor.

Consumption Cured. An old physician retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy the speedy and permanent cure of consumption, the cough, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative power in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, he will give the formula, to all who desire it, this recipe in German, French, or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. Noves, 119 Power's Block, Rochester, N.Y.

The Richmond hotel and several other buildings were burned in Buffalo last Friday, causing the loss of several lives. Some of the victims were Canadians.

Home Items. If you remain sick when you can get up better than never--Fail. The weakest woman, smallest child, and sickest invalid can use hop bitters with safety and great benefit. --(Do not get your goods around from Rheumatism, kidney trouble or any weakness will be almost new by using hop bitters. --My wife and daughter were made healthy by the use of hop bitters and I recommend them to my people. --Methodist Clergyman

Ask any good doctor if hop Bitters are not the best family medicine on earth. Malarial fever, Ague and Biliousness, will leave every neighborhood as soon as hop bitters arrive. --My mother drove the paralysis and neuralgia of her old system with hop bitters. --El. Osego Sun. Keep the kidneys healthy with hop bitters and you need not fear sickness. Ice water is rendered harmless and more refreshing and reviving with hop bitters in each draught. --The view of youth for the aged and infirm in hop bitters.

Mr. Gladstone on last Thursday night delivered a speech, in which he insisted on Home Rule as the remedy for the Irish difficulty, and hinted his willingness to drop the land purchase scheme.

Free Trade. The reduction of internal revenue and the taking off of revenue stamps from Proprietary Medicines, no doubt has largely benefited the consumers, as well as relieving the burden manufacturers. Especially in this case with Green's August Flower and Bosche's German Syrup, as the reduction of thirty-six cents per dozen, has been added to increase the size of the bottles containing these remedies, thereby giving one-fifth more medicine in the 75 cent size. The August Flower for Dyspepsia and Liver Complaint, and the German Syrup for Cough and Lung troubles, have perhaps, the largest sale of any medicines in the world. The advantage of increased size of the bottles will be greatly appreciated by the sick and afflicted in every town and village in civilized countries. Sample bottles for 10 cents remain the same size.

Polling day at Gaspe was at first fixed for the 16th of March, and no doubt many have been looking for the return from that constituency. The law allows a postponement of the day of polling there, and it has been postponed till Tuesday 22nd.
