The Presbytery of Miramichi.

The following is the remainder of report held over from last week:-Mr. Hudnut, Missionary at Port Daniel, gave a very interesting report of his labors at that place. He earnestly and clearly showed the very active interest which has been evoked in Port Daniel. The services were very well attended, and Sabbath School and Bible Classes were in excellent order. The people had paid him for his services \$115, and could be relied upon to pay for a missionary who remained with them throughout the year, at least \$150 cash with an equal amount in produce. A man who is removing his family from the district offers his house, a comfortable one, for five years, free of charge, for a manse.

A letter from Rev. P. Landsay, refer ring to Port Daniel, was also read, which more than bears out the statements of the ardent missionary. It was thereupon resolved: That Mr. Hudnut's report be received, that the Presbytery thankfully note the energy, tact and ability with which he did the work entrusted to him at Port Daniel, and the manifest blessing which has attended his labors there. And that the Clerk be instructed to en deavor to procure a Catechist for the field; and further, that application be made to the Home Mission Board for grant of \$35 to balance Mr. Hudnut's ac-

in Kent Co., when it was resolved that the following arrangements of Stations be made. (1) Richibucto and Kingston, with districts immediately adjacent, to be one congregation. (2) Bass River and Nicholas River, with districts imnediately adjacent, to be another district charge. And (3), Weldford Mill Branch and contiguous districts to be a third congregation, to be supplemented until it can be developed into a strong and self supporting charge. It was further resolved that intimation of this proposed arrangement be given to the Committee on Aug. mentation, and application made to such ommittee for a grant in aid, the amount to be determined when the congregation shall have completed its subscription

Messrs. Aitken and McKay were appointed, with the pastors of Richibucto and Bass River, to secure the subscription ists over the whole field in preparation or this arrangement.

Mr. Thompson reported the following esolution in reference to Sabbath dese. cration on the Intercolonial Railway: -The Presbytery having learned the fact that the Sabbath is being constantly desecrated by work done on the Intercolonial Railway, in consequence of which the Lord's Day is dishonored and his law trampled upon, thereby provoking divine udgements upon us as a people; and further, those men who fear God and honor his law will be compelled to withdraw from service on this line of railway. thereby placing the work in the hands of unreliable persons: Therefore would respectfully call the attention of the authorities of said railway to such Sabbath desecration, and earnestly request that steps be taken to remove this serious

Mr. McKay, from the committee ap pointed to visit Burnt Church and Tabusintac, reported, That the committee had found the people ready to call and they had moderated in a call which came out in favor of Rev. Jas. Rosborough. The call is cordial and unanimous, and accompanied with assurances that the people will raise \$535 towards their pastor's support. The action of the Committee was approved, and the call was duly sustained. It was agreed to ask for a grant of \$225 in d of this congregation.

The call was then placed in Mr. Rosporough's hands. He accepted it, and ar angements were made for the induction at Tabusintac on the 16th Oct. at 2.30 p. m. Mr. Baird to preach, Mr. Murray to address the people, and Mr. Hamilton to address the minister.

The committee reported that the Records of New Mills and River Charlo were neatly kept, and that the business was regularly transacted. Report received and the Record ordered to be attested. Messrs. Aitken, Johnstone and J. R. Nicholson were appointed a committee on Augmentation, and Messrs. Brown, Baird and G. Haddow a committee on Systematic Beneficence.

The Presbytery adjourned to meet at Newcastle next day. Met at Neweastle at 10 a. m., present as before with exception of Messrs.

leorge, Baird and Rosborough, and with addition of Rev. E. W. Waits. Mr. McIntyre was appointed to preach Dalhousie the next Sabbath and de

clare the church vacant.

The clerk reported that he had received from the Clerk of the Presbytery of Owen Sound, a call from Knox Church, Owen Sound, to the Rev. E. W. Waits. The call and accompanying papers were read, and it was thereupon resolved to lay the call upon the table, and to notify St. Andrew's Church, Chatham, to appear for their interests at an adjourned meeting of the Presbytery hereby appointed to b held in the hall of St. Andrew's Church, Chatham, on Monday the 24th inst. at : o. m. The clerk was ordered to exchange with Mr. Waits on the forenoon of the next Sabbath and make the usual intima-

tion to St. Andrew's Church. A report from Mr. J. T. McLean, re garding his services at Douglastown and Nelson, was read. The report was declared to be eminently satisfactory, and it was agreed to apply to the Home Mission Board for \$25 to meet the balance lue Mr. McLean.

MCALPINE'S Province of New Brunswick Directory

D. MCA LPINE & SON are now preparing to publish a Complete Directory of this Province, which will include all persons (Male) from the age of 20 years old and upward, and all Females in Mercantile Business; also an Historical Sketch of the Province up to 1888, with other general information. It will be well bound and printed on good paper, The publishers have been requested several times, by leading business men and others, to publish the above work and promised their support. They therefore feel confident that the work is needed, and that business men of all classes will consider that it is necessary to Advertise in it to make success, otherwise the publishers will not ble to publish it. We are now behind nearly all the other Provinces in the Dominion, and of the States in America, in not having a Directory of the Province since 1870-71. There will not likely be a similiar work published for the next ten

years, therefore the special inducement to those who do advertise in it now. Any persons who wish their Advertisements inserted, by applying early will obtain better positions. Except the covers and pages opposite covers, the prices will be general, viz: \$20.00 per page; \$12.00 per half \$10 00 per third; \$8.00 per fourth—with Directory included. D. McALPINE & SON.
