GENERAL NOTES AND NEWS

Two colored Sisters of Charity attracted considerable notice at St. Patrick's chapel, Halifax, on Sunday morning of last week. They are on a visit there from Boston.
Certain Cures.
A cure for Cholera Morbus. A positive cure for this dangerous complaint, and for all acute or chronic forms of bowel complaint incident to summer and fall is found in Dr. Fowler's Extract of Wild Strawberry, to be procured from any druggist or medicine dealer.
Made on Purpose.
We are taught that everything is made to fill some purpose. The reason Burdock Blood Bitters has succeeded in being placed in the front rank of modern medicines is that it fills so well the purpose for which it was intended—that of curing diseases of the stomach, liver and blood.

The total value of green fruit brought by the United States in Canada last year was \$210,000, nearly the entire sum having been paid for apples, of which 56,912 barrels were from Ontario, and 42,151 barrels from Nova Scotia.
Summer Travel
is usually subject to dangerous and sudden attacks of bowel complaints, diarrhoea, dysentery, etc., caused by change of food and water. The sovereign remedy and surest safeguard against all such troubles is Dr. Fowler's Extract of Wild Strawberry. Never travel without it.

A Correct Statement.
is made by Miss Jane Rutherford, of Nelles Corners, Ont., who writes—"I have used your Burdock Blood Bitters for Dyspepsia and find it to be the best remedy I ever tried." B. B. B. is sold by all dealers at one dollar per bottle.
Easily Understood.
The cause of summer complaint, diarrhoea, dysentery, cholera morbus, etc., are the excessive heat, eating green fruit, impure water, over exertion and sudden chill. Dr. Fowler's Wild Strawberry is an infallible and prompt remedy for all bowel complaints from whatever cause.
For Scrofula, Impoverished Blood and General Debility.
Scott's Emulsion of Cod Liver Oil, with Hypophosphites,
has no equal in the whole realm of Medicine. Read the following: "I gave Scott's Emulsion to my own child for Scrofula, and the effect was marvelous."—G. F. Gray, M. D., White Hall, Ind. Put up in 50c. and \$1 size.

All kinds of vegetables can be canned in glass fruit jars, and stored away in a cool place for winter use. Peas, corn, beans, tomatoes, etc., are very easily prepared and canned. Pumpkins, squash and apples may be cooked to a sauce, and canned for ready use in winter.
Malden, Mass., Feb. 2, 1880, Gentlemen: I suffered with attacks of sick headache, Neuralgia, female trouble, for years in the most terrible and excruciating manner. No medicine or doctor could give me any relief or cure until I used Hop Bitters.
"The first bottle nearly cured me."
"The second made me as well and strong as when a child."
"And I have been to this day."
My husband was an invalid for twenty years with a serious "Kidney, liver and urinary complaint." Pronounced by Boston's best physicians "Incurable!"
Seven bottles of your Bitters cured him and I know of the "Lives of eight persons" in my neighborhood that have been saved by your Bitters.
And many more are using them with great benefit.
"They almost" —Mrs. E. D. Slack
