GENERAL NOTES AND NEWS The fisheries protection fleet will go into commission on May 1, along the Atlantic coast and the Gulf of St. Lawrence.

If your child is suffering from worms, we would recommend you to give at once Dr. McLean's Vegetable Worm Syrup, it is not only a safe and effectual remedy, but an exceedingly pleasant one.

Monsieur Joseph - Vanderbilt's new \$10,000 French cook-indignantly repudiates that cognomen of the kitchen, and lays claim to the more aristocratic and high-sounding title of "gastronomical director." He says he does not come to cook, but to say what shall be cooked COD LIVER OIL and how it is to be done.

How to Save Money.

Always buy the best because it is the cheapest in the end, and not only is Burdock Blood Bitters the best medicine known for all chronic diseases of the Stomach, Kidneys, Liver and Blood, but it is really the cheapest as it needs less to cure and cures more quickly than any other

Making Sure.

There are many people who adopt health and diet rules when attacked by disease of the stomach, liver or bowels, this is quite right, but those who add to this treatment the use of B. B. B. according to directions, make sure of being quickly and easily cured.

A bill has been introduced in the New York State Senate which aims at rendering the laws against bribery at elections more stringent. The chief feature of the bill is its fifth section, which authorizes the payment of \$50 to persons who give information of cases of violations of law in which convictions may have been procured. The object of this is to secure the punishment of those who tempt the needy, the ignorant and the degraded. It makes it a felony to contribute money or any valuable thing to a voter, or to an organization, in expectation of receiving votes, the punishment for which is a fine not exceeding \$500, or two years imprisonment, or by both fine and imprisonment. It further disqualifies an offender from hold. ing public office for ten years.

A Sad Prospect.

How many weary broken down invalids Suits or single Garments .. there are to whom life is burdensome and whose prospect is sad indeed. The nervous debility and general weakness of those afflicted with lingering disease is best remedied by the invigorating and restoring properties of B. B. B.

How To Gain Flesh and Strength.

Use after each meal Scott's Emulsion; it is as palatable as milk. Delicate people improve rapidly upon its use. For Consumption, Throat affections and Bronchitis it is unequalled. Dr. Thos. Prim, Ala., says: "I used Scott's Emulsion on a child eight months old; he gained four pounds in a month." Put up in 50c. and \$1 size.

A writer in the Brooklyn Eagle tells a story which conveys a needed warning to more than one young lady. He says:-"I know a young lady who had everything which usually constitutes the happiness of those who have not yet climbed the golden stairs of matrimonial paradise. Her age was 20, she was a brunnette of graceful figure, with a peculiarly animated expression of countenance. Her complexion was rich and warm, her large gray eyes were merry and her features would pass muster among sculptors. She had beaux by the score. At length she came to a decision and I heard of her marriage. I knew the young man whom she chose and was startled. That was five years ago. A year ago I was riding up town on a car. I heard my name pronounced and looked but did not at first recognize the face which was faintly smiling at me. It was weirdly pale and wrinkled and careworn. I looked puzzled for a few moments and then it dawned upon me that this was the wreck of one of the prettiest girls in Brooklyn. I accompanied her as far the door of her house. It was a tenement house. 'I won't invite you in to-day,' she said, 'my room is somewhat disordered.' I said nothing, out I understood. It was pitiful to see her try to keep up the pretense of being light-hearted, happy and prosperous. A week ago I heard her husband was in a lunatic asylum and her baby dead. Now she has gone home to begin life over again. She had married a man

to reform him. Vital Questions!!
