GENERAL NOTES AND NEWS

It is said that the special customs officers have seized from the St. Croix Soap Works at St. Stephen, 2300 boxes of soap, on account of back duties alleged to be due the government.

Baird's French Ointment is an excellent article for any kind of Humor, such as Salt Rheum, Pimples, Pustules, Rash and a sure cure for the Itch. It quickly heals obstinate Sores and Ulcers &c. Sold by dealers.

Children naturally object to nauseous medicines. When troubled with Worms they often suffer for want of sound sleep and their food does not seem to nourish them, give promptly McLean's Vegetable Syrup.

It is stated that Col. Stevenson, formerly of the Halifax garrison, with the 87th regiment, will succeed General Lord Russell as commander in chief of the British forces in North America.

One good point

Out of the many possessed by Burdock Blood Bitters is that it may be taken at all seasons of the year, and by either young or old. In this way the three busy B's are always at work and doing good.

If the Sufferers from Consumption, Scrofula and General Debility, will try Scott's Emulsion of Cod Liver Oil, with hypophosphites, they will find immediate relief and a permanent benefit. Dr. H. V. Mott, Brentwood, Cal., writes: "I have used Scott's Emulsion with great advantage in cases of Phthisis, Scrofula and Wasting Diseases. It is very palatable. Put up in 50c. and $1 size.

The contractor for the construction of the River du Loup Ry., John J. McDonald, will resume work on that line as early in the spring as possible. This company propose to build the railway from St. Francis to Edmundston, a distance of about 36 miles.

Depend upon it.

Accidents will happen despite all care and painful injuries such as Sprains, Bruises, Cuts, and Burns result. Every family should therefore keep Hagyard's Yellow Oil on hand, it is the greatest family remedy for all Pains, Coughs, Colds and Sore Throat, Croup and Whooping Cough yield quickly to this excellent remedy.

The lobster fishermen of Port Beckerton, N. S., have petitioned the government, complaining against the recent order-in-council restricting lobster fishing and asking for an extension of time from 15th September to 15th November. In support of their petition they state the great majority of inhabitants are dependent on lobster fishing and if the order-in-council restricting the period to the months of May and June is enforced it will occasion a great deal of poverty and distress.

Well worth trying.

A medicine which has stood the test of time for many years and always given the best satisfaction as has Hagyard's Pectoral Balsam is certainly well worth trying for Coughs, Colds, Hoarseness and all Throat troubles for which it is so highly recommended.

A Montreal despatch of 1st inst says—"Tuesday evening a shocking accident happened to Delima Daigneault a six year old girl who lives with her widowed mother. The little girl was sitting on a couch next to the table at which her brother and two of his friends were sitting playing cards. The child was playing with her dolls when one of the players struck the table with his fist. A glass lamp which stood on the table fell, and the bowl breaking off from the foot fell on the child, the oil igniting her dress. The four players did their utmost to put out the flames, but when they finally succeeded the little girl was burned from head to foot. Her face and little body are so badly burnt that when Dr. Dubuc came he could only give scant hope."
