Burlington, Iowa, had a storm last Thursday, which unroofed buildings and blew down trees and fences.

The entering wedge of a complaint that may prove fatal is often a slight cold, which a dose or two of Ayer's Cherry Pectoral might have cured at the commencement, It would be well, therefore, to keep this remedy within reach at all times.

Many arrests have been made in connection with the recently-discovered plot against the Czar.

M. ADAMS, Assignee. MILL PROPERTY FOR SALE.

Mill Property formerly known as the DesBrisay Mill, situated at Clark's Cove, about one and a half miles above Chatham, on the south side of the Miramichi River. It has the advantage of the Miramichi River. It has the advantage of a convenient boom that will contain nearly two millions of logs safe from all weathers. The Mill is something out of repair, not having been kept going for the past three years, but might be easily fitted up to do good work in a short time. It also possesses a deep-water Wharf nearly one thousand feet in length; has six dwelling houses—two fitted for two families. There is also about twenty acres of cleared land, all under grass; a blacksmith shop, carpenter's shop, a Retail Store, an Office, a large Farmhouse, two Barns and Stables. The Mill is fitted up with two Gates, Circulars and Trimmer, and will be sold cheap, the proprietor having decided to go out of the business. If not disposed of before the First of May, 1889, the above property will be sold at Public Auction, on the premises, on that day at 12 o'clock, noon.
