Father had Quinsy.
 "When the spring-time comes," we usually find ourselves drowsy and exhausted, owing to the impure and sluggish state of the blood. To remedy this trouble, take Ayer's Sarsaparilla, the most powerful, yet safe and economical, blood-purifier in existence.
 There are 2,033 pictures of criminals in the "Rogues' gallery" of the Boston police department.
 Father had Quinsy.
 "We find Burdock Blood Bitters cured for weakness, and equally so for head-ache. Father also suffered severely from quinsy, which B. B. B., by its tonic and purifying properties, completely cured."
 Hereafter Chicago firemen who have suffered in the public service will be pensioned.
 The safe Plan.
 When suffering from a troublesome cold, a hacking cough, hoarseness, asthma, bronchitis, or other forms of throat or lung troubles, it is to use Hagyard's Pectoral Balsam to loosen the phlegm and soothe and heal the inflamed mucous surface. It cures where other fail.
 A burglar, arrested in Boston lately, had on his breast an Indian ink picture of a grave-digger, on which was marked, "In memory of my father and mother."
A Cure for Lumbago.
 That painful complaint can be quickly cured by the right remedy. Miss Mary Jane Gould, of Stony Creek, Ont., says: "I was troubled with lumbago, and could not get relief until I used Hagyard's Yellow Oil, one bottle of which cured me entirely."
 The Vienna *Tagblatt* announces that an attempt was made to wreck a train on which were the Czar and Czarine, travelling from St. Petersburg to Gatchina.
A Frightened Mother.
 "My little girl 4 years old, frightened me one night by a coughing fit, but I gave her a dose of Hagyard's Yellow Oil, which relieved her at once, and she slept well all night. I have since used it in several cases of croup, whooping cough, and find it always reliable. Mrs. Eva Bradley, Virden, Mar.
 Arthur Kruschark, aged 14, and heir to \$50,000, has disappeared from Chicago. His father believes he has been abducted for the purpose of extorting a ransom.
 Speaking of clothing, a witty editor writes: "We have seven suits on hand at present. The cheap half-wool suit that I have worn since last winter, and six costly suits for linen."
The Blood is the Life.
 And on its purity largely depends the general health. No one is free from danger, and nine-tenths of humanity actually do suffer from one form or other of impure blood. No one remedy has such a wide range of curative power as has Burdock Blood Bitters--that best of all blood purifiers and tonics.
 Mr. Henry Chaplin is said to be "the best dressed man" in the British parliament. He is one of the tallest men in the commons, where the average of stature is high, and his gaiters are said to "form a bright spot of color below the gaiters."
Ulcerated Stomach.
 "For three years I was unable to work, suffering from ulcerated stomach. Medical aid having failed, I was told to try Burdock Blood Bitters, of which 7 bottles made a permanent cure. This was two years ago, and I feel that I have to thank B. B. B. for being alive and well to day." Mrs. Ross Ann McCloskey, Marmora, Ont.
For delicate, sickly Children
 Scott's Emulsion is unequalled. See what Dr. C. A. Black, of Amherst, N. S., says: "I have been acquainted with Scott's Emulsion of Cod Liver Oil, hypophosphites, for years, and consider it one of the finest preparations now before the public. Its pleasant flavor makes it the great favorite for children, and I do highly recommend it for all wasting diseases of children and adults. Put up in 50c and \$1 size.
 It is figured out that the railroads of the world are worth \$300,000,000, or nearly one-tenth of the wealth of the civilized nations, or more than a quarter of their invested capital, and that all the ready money in the world would buy only about one-third of them.
Vital Questions!
 Ask the most eminent physician of any school, what is the best thing in the world for quieting and allaying all irritation of the nerves and curing all forms of nervous complaints, giving natural, childlike refreshing sleep always? And they will tell you unhesitatingly "Some form of Hope!"
 CHAPTER I.
 Ask any or all of the most eminent physicians:
 "What is the best and only remedy that can be relied on to cure all diseases of the kidneys and urinary organs, such as Bright's disease, diabetes, retention or inability to retain urine, and all the diseases and ailments peculiar to Women."
 "And they will tell you explicitly and emphatically "Burdock Blood Bitters."
 Ask the same physicians:
 "What is the most reliable and surest cure for all liver diseases or dyspepsia; constipation, indigestion, biliousness, malarial fever, age, &c.," and they will tell you "Burdock Blood Bitters."
 "What is the best and only remedy that can be relied on to cure all diseases of the kidneys and urinary organs, such as Bright's disease, diabetes, retention or inability to retain urine, and all the diseases and ailments peculiar to Women."
 "And they will tell you explicitly and emphatically "Burdock Blood Bitters."
 Hence, when these remedies are combined with others equally valuable. And compounded into Hop Bitters, such a

 the same remedy. I gladly offer this testimony for the benefit of all similarly afflicted."--F. H. Haessler, Editor *Aryu*, Table Rock, Neb.
 "For children afflicted with colds, coughs, sore throat, or croup, I do not know of any remedy which will give more speedy relief than Ayer's Cherry Pectoral. I have found it, also, invariably in cases of whooping cough."--A. L. Lovell, 1231 Washington Street, Boston, Mass.
 "Ayer's Cherry Pectoral has proved remarkably effective in croup and is invaluable as a family medicine."--D. M. Bryant, Chicopee Falls, Mass.
