Whereas: The Councillors from Newcastle and Chatham receive \$10.00 for their services as revisors, Therefore Resolved: That the Councillorvisors from each parish receive the same

remuneration for their services. Coun. Smith objected on the ground that it would increase the cost of county charges. The revisors of Chatham did a great deal of work, while some other parishes have very little to do, and it would not be fair to pay them an equal amount. The list of voters in Chatham comprised over 1200 names, while in some of the other parishes it would not be much more than 100. He also stated that the Councillors for Ludlow got \$13 for mileage at each meeting of Council while the Chatham Councillors only got \$1.20.

Coun Ryan said the Councillors from the outside districts left all they got in Newcastle.

Coun Thibedeau thought the revisors were paid quite enough. The motion was put and declared lost.

The deferred matter of Alnwick Parish officers was brought up, a change of name of boom master having been made from John Graham to that of George Buchanan, and the list passed as changed. Council adjourned until 5 o'clock
