### Monkeyism and Lying.

How little there is of originality in the

world is abundantly shown in the events "and fascinating liar." of our daily life-the sayings and doings ourselves and those about us-proving We suppose our dull friends of the Ad- vendor vocate and World will now either say that the axiom that genius is rare, and that Oscar Wilde never wrote the above, or only the few attain to the higher degree of that they were mistaken in saying that intelligence. Your friend makes an as-Mr. Smith was a liar. They had better. sertion in reference to a matter of which however, leave the matter where it is, and you are as good, or, perhaps, a bette while our Advocate friend is endeavoring to judge than he, but you do not take the reform in respect of the "sins, negligences trouble to think it over for yourself. You and ignorances" to which we have directsimply accept his dictum, look for no ed his attention in previous issues, let proof, repeat his ideas and imitate him. him of the World strive to be better postjust as one dog barks because he hears ed before making authoritative announceanother do so. The imitative faculty is, ments respecting matters on which even perhaps, more fully manifested in the a Mugwump club-President should be monkey than in any other animal, but it correctly informed. And let both avoid development in man-the highest type of the monkeyism of imitating each other in the animal creation-will always be found their mode of dealing with the gentleman in lessening proportion to that of his finer who exposes only the least of their shortintellectual faculties, or the genius he comings, and who could not entertain topossesses. Genius and great intellectual wards them any feeling worse than pity, strength are never manifested along the mingled with regret that North Shore lines of imitation, while the mass of journalism is discredited by their connec dullards are content to follow in the beattion with it. en track, never saying or doing anything that has not been better said or

done by hundreds of others before them. It is this faculty of imitation in man that, to a great degree, commends the theories of Lamarck, Saint-Hilaire, Darwin and Huxley to the unscientific, for when so the slightest trouble of reasoning on many men are found with the leading facand no sane man can do that. ulty of the monkey most fully developed in them, the conclusion that man is but a along first rate, and no two men can variety of the Simiadæ is not, by any that. means, an illogical one.

We are conscious that the discussion o subjects of this class is not usual in coun try papers, and we do not intend to pursue it any further, but merely to notice that what we have said illustrates the de

gree of intellectual development possessed

by our local neighbors of the press, who,

Concert at Charlo.

The announcement that Professor Baker or Mr. Baker as he prefers to be styled would give a musical and literary enter tainment in the new hall which he recent ly erected in the vicinity of Charlo Station close to Giroux's hotel, drew a large audi ence on the evening of the 18th inst. The night was fine, and at the appointed time every available seat was occupied. There were 200 reserved seats, and although the price was higher than people are accustomed to pay in a country village, yet the

tickets were all sold, and more eagerly sought for, but could not he obtained There were many from Campbellton and She can safely stick 50 pins in her dress Dalhousie, a special having been provided while he is getting one under his thumb through the kindness of Mr. Price.

The opening address was delivered b She is as cool as a cucumber in half the Rev. Father McDonald, who in the dozen tight dresses and skirts, while course of his appropriate remarks, refer-

in the entertainment. The other young lady who took a leading part in it, and deserves honorable mention is Miss Maggie Devereux who is at present teachquite a favorite with the people of Upper-Charlo, where she taught school last summer and became connected with the choir. They hope she may long remain

with them and be able to participate in future concerts. By particular request of parties in Campbellton, Mr. Baker will repeat the

concert in that town some evening during The former gentleman is quite annoyed at the incoming week, and it is hoped the same success may attend him, both financially and otherwise.

### Gardening for Ladies.

Make up your bed early in the morning: sen buttons on your husband's shirt: de not rake up grievances; protect the young and tender branches of your family; plant smiles of good temper, and reap a crop of health and happiness; root out the causes of nervous debility and "female weakness," by the use of Dr. Pierce's Favorite Prescription. It is a sovereign specific, and thousands of the fair sex bless the day they first heard of it. It is the only medicine for women, sold by druggists, under a positive guarantee, from the manufactures, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years.

To cleanse the stomach, liver, and system generally, use Dr. Pierce's Pellets.
