Covering the Face with Disfiguring, Painful Blotches, Cured by Cuticura Remedies,

About seven years ago I had a humor break out upon my face; it started in a small blotch and looked like the sting of a bee, then it spread and looked like a ringworm, and became very painful. I at once went to one of the best doctors in the city, and he could do me no good. No less than twelve of the best doctors have had a trial at my face, and all of them failed. I will not give you a list of their names, but will say that they were from Boston, New York, and Maine, also from England, France, and Canada. I have leen a hotel cook and steward for years. In the summer I sook at watering places, that years. In the summer I cook at watering places; that is why I have had an opportunity of being among good doctors. They could not cure my face, and I had given up all hopes of ever being any better. Last June, I went to Moosehead Lake, Maine, to cook for the season My face was so bad I did not like to be seen. At the lake I met a gentleman from England, He told me to use your CUTICURA REM DIES, and they would cure me at once. I did so. The resuit was, in three weeks the sores on my face were lealed up. I used it all the season. My face is all well, and no scars to be seen. I have recommended it t a number, and in every case it has cured them. "They cannot possibly prove anything against him, for his alibi is unimpeachable But on Fernandez' testimony of the threats they will pretend to believe that he had the shooting done; and the result will be a heavy fine at least. He is a powerful enemy,-a man of great influence -and they will never rest until they have ruined him."

"What can we do to prevent it asked Derwent. "I am ready to leave the country, if that will serve any good purpose. I am the only witness to the shooting. They cannot prove it without me,'

FOR DYSPEPSIA. Ayer's Sarsaparilla

Is an effective remedy, as numerous testimonials conclusively prove. "For two years I was a constant sufferer from dyspepsia and liver complaint. I doctored a long time and the medicines prescribed, in nearly every case, only aggravated the disease. An apothecary advised me to use Ayer's Sarsaparilla. I did so, and was cured at a cost of \$5. Since that time it has, been my family medicine, and sickness has become a stranger to our household. I believe it to be the best medicine on earth." -P. F. McNulty, Hackman, 29 Summer st.,

FOR DEBILITY, Ayer's Sarsaparilla

Lowell, Mass.

Is a certain cure, when the complaint originates in impoverished blood. "I was a great sufferer from a low condition of the blood and general debility, becoming finally, so reduced that I was unfit for work. Nothing that I did for the complaint helped me so much as Ayer's Sarsaparilla, a few bottles of which restored me to health and strength. I take every opportunity to recommend this medicine in similar cases."—C. Evick, 14 E.
