## Miramichi and the North Shore. etc.

NEW YEAR'S was well observed at the Alms House, the usual excellent dinner being provided for the jumates.

OBIT. - Three congregation nuns died at Monklands, Montreal, on Sunday, 28th ult .. one being Sister Ste. Rosaline, nee Annie Cormeau, of Petit Rocher.

THE SKATING RINK is attracting our young people this winter with much of the old-time enthusiasm. The attendance on New Year's night was large, the ice good and he music very enjoyable.

THE NELSON RAILWAY meeting which was to have taken place on Tuesday evening was again postponed on account of the snow storm which prevailed on that day. It will probably take place while the Municipal Council is in session.

Too BAD :- The caretaker of the Grammar and High School building, in the middle district, Chatham, allowed the fire to go out in the furnace of the hot water apparatus by which the place was heated, and it was ruined by the water freezing in the pipes. Mr. Marquis is now putting in two hot air furnaces, and the holidays are still in force.

The fire companies were on hand in good time and after a half hour's work had the flames under control. The fire originated in the cellar, presumably from the furnace, and communicated to the store above. The damage to the building was but slight, but to the stock, consider. able as it way, thoroughly saturated with water. The store contained \$12,000 worth of goods, insured for \$7,500.
