Mr. President, and Honorable Gentlemen of the Legislative Council; Mr. Speaker and Gentlemen of the House of Assembly :

be

My acknowledgements are due to you for the unremitting attention with which you have devoted yourselves to the general business of the session, as well as special matters to which I have from time to time submitted for your consideration. Being thoroughly familiar with the needs of the Province, confidently trust the important questions with which you have dealt have been disposed of in a manner most conducive to the public interest.

I thank you for the liberal provision you have made for puble works and for the usual and ordinary services. It will be my en deavor to administer the laws you have passed, and to supply the generous appropriations you have made to the respective objects with proper regard to economy and without unduly burdeniag the resources of the Province.

Mr. President and Honorable Gentlemea of the Legislative Council, Mr. Speaker and Gentlemen of the House Assembly.

I felicitate you upon this early conclusion of your arduous labors, and in relieving you from further attendance upon your Legisowing to the pressure of business for him lative duties, at the present time. I sincereto attend the meeting of the committee last ly pray that we may as a people continue to night. The report had not been submitted enjoy the many blessings which under to him, if it had he might have concurred in | Divine Providence have been vouchsafed to us in the past.

Notes and News.

The Bank of England has advanced its rate of discount from 3 per cent. to 31 per cent.

The Earl of Kimberly succeeds Earl Granville as Liberal leader in the House Lords.

London, Eng., papers of April 8 reached Toronto on April 16. Pretty quick

Mr. Hanington said that Hall's bill The steamships P. Calland and Glamorincluded charges for 40 reams of paper some gan came into collision in the English of it at \$14 per ream. The charge was an Channel, the latter being sunk.

Influenza is epidemic in Hull, England. Mr. Blair said it did seem improbable that the officials of the House could use 40 reams The death rate has reached 46 per 1,000. of paper. But according to the provincial Business of all kinds is retarded by the secretary's statement Mr. Hall says that the lilness of employees. goods were delivered on the order of Mr The Mansfield, O., presbytery of the Richards, clerk assistant, and secretary to the United Presbyterian Church on Wednescontingent committee. Mr Richards has day deposed Rev. John Garley from the been too ill to be heard from on the subject ministry on account of drunkenness. and there is really no evidence so far to show that Mr. Hall's statement is not correct and The German Emperor has ordered that if it be correct it would seem too bad a list of officers who took part in the mili think he should be kept out of his money for tary races Sunday be presented to him He is very indignant over the matter. Mr. Hanington:-Serves him right if The grip will soon release its hold, Mr. Blair sail that until more evidence And apples green will gripe; was had the hon. member had no right to The festive fly will grow more bold. say that the bill is a bogus one; at a'l events And picnics will be ripe. he desired to say that is a matter entirely with the contingent committee. He wished Charges of the practice of horrible bruto say that the government had no re-ponsitality have been preferred with specific bility in the matter at all. Messrs. Haningdetails against Warden Cassidy and the keepers of the Eastern Penitentiary a Mr. Hanington:-I have no feeling in the Philadelphia.

na's boundary only extends as far as Blanc Sablen, or the fifty-seventh. legree of longitude. It was 20 years after Newfoundland became a self-governing colony that she ever thought of An act relating to collectors of rates, and exercising jurisdiction over the French shore, and subsequently extended he: authority to the L brador coast as far as the boundary described. Now she assumes the authority of government beyond that point. The old skipper claims damages for being interfered with

beyond Blanc Sablen, and says he will carry the case to the British Privy Council if necessary.

A Discovery Important to Ladies.

The political battle is over, but the battle with disease must be constantly and unceasingly waged, else the grim reaper will come out victorious, and loved ones gathered to their long home. On all sides may be seen pale and listless girls, who should be enjoying the health and glow of rosy youth. Everywhere we are met with women young in years, yet prematurely old. who suffer in silence almost untold agonies. the result of those ailments peculiar to the female system. To all such, Dr. Williams' Pink Pills come as a blessing. They restore wasted vitality, build up the nervous system. enrich the blood, and transform pale and sallow complexions into glowing, rosy cheeks that alone follow perfect health. In a word they are a certain cure for all these distressing complaints to which women and girls are peculiarly liable. A trial of these pills will convince the most sceptical of their wonderful merit. For suffering men Dr. Williams' Pink Pills are equally effacious. For overwork, mental strain, loss of sleep, nervous debility, and all those diseases that lead to broken-down manhood, they are a certain specific, stimulating the brain, reinforcing the exhausted system and restoring shattered vitality. Dr. Williams' Fink Pills are nature's restorative and should be used by every weak and debilitated person. For sale by all dealers or sent post paid on receipt of price (50 cents a box) by addressing the Dr. Williams Medicine Co., Brock-

engine. to do sums.

R ligious disorders have been stirred in at Benares, India, by the local author ities commencing to demolish the temp n order to furnish a site for a new water works plant.

The sales by the United States whiskey trust for the past year were 44,748,171 gallons, an increase of nearly 4,000,000 gallons over the preceding year and of nearly 9,000,00) gallons over 1888.

The Newfoundland delegates to Britain in an interview admitted that recent vents have caused a friendly feeling in the colonly towards the United States and estrangement from the mother country.

Important experiments have been made with snow breastworks in Russia which have been found almost impenetr able when treated with water.

Mr. T. B. Hanington obtains the postmastership of St. John. Some changes have been made in the custom house of the same place. Inland Collector Barke creameries and cheese factories from taxa. is advanced to the inspectorship of inland revenue, and deputy collector Atherton takes his place. The deputy collectorship has been filled by the appointment of J. A. Clark, of Carleton.

> News comes from Scilly Cove, Nfld., that the body of a woman was picked up on the ice off that place. A party of men were out gunning and came across a pan of ice on which they found the dead

omes nat ral or not at all You just bring a couple of little quarrels

into your family an' they'll breed like sparrows. Don't go back on your friends when you'r

in luck, nor give away your umberel just because the sun shines.

You can't always judge a man by the blood he's got. Corn bread and whiskey come from the same family.

A runaway horse is worse'n a runaway wife, because it sometimes takes you with it. Sometimes w'en a man seems to be havin' the worst luck he's only getting ready to come out, like a log from a saw mill, worth double price.

Don't send a fox to tend geese or a cat to skim milk unless they have a good reputation for honesty. Remember this w'en you put your money in the bank .- Detroit Free Press.

SOOTHING, CLEANSING. HEALING. Instant Relief, Permanent Cure, Failure Impossible. Many so-called Ziseases are simply symptoms of Catarrh, such as headache, losing sense of smell, foul breath, hawking and spitting, general feeling of debility, etc. If you are troubled with any of these or kindred symptoms, you have Catarrh, and should lose no time procuring a bottle of Catarrh, and should lose no time procuring a bottle of NASAL BALM. Be warned in time, neglected cold in head results in Catarrh, followed by consumption and death. Sold by all druggists, or sent, post paid, on receipt of price (50 cents and \$1) by addressing FULFORD & CO. Brockwills Ont FULFORD & CO. Br
