When the House of Assembly resumed ized, possessing sufficient capital, shall offer this afternoon Mr. Blair moved that the to construct the before-mentioned lines of amendment made by the Upper House to the bill for rhe abolition of the Legislative railway, or any of them, and shall give such assurance or guarantee of their ability as the Council be concured in.

governor-in-council may deem necessary, the Hon. Mr. Hanington criticized the Govgovernor-in-council is hereby authorized and ernment's action and expressed the opinion empowered to consent and agree to the buildthat the administration does not regret what ing of the said lines or any of them by such has taken place.

The House concurred in the amendment,

[Special to Advance.] FREDERICTON, N. B., 15. Mr. Phinney committed a bill relating to

ollectors of rates and constables in Kent Co., Mr. Turner in the chair. Agreed to with amendments.

Mr. Palmer committed bill further smending highway act, O'Brien in chair. He explained the bill, which had been prepared by the special committee appointed for that purpose. Its principal provision was to make a change in the statute labor rate from 80 cents per day to 50 cents. Messrs, Russell, Hasington and Burchill advised that it stand over until next year. when the whole question could be carefully onsidered.

Messrs. Blair, Atkinson, Palmer and Anderson advised making an immediate change in the statute labor act as proposed The bill is still under discussion at recess. Yesterday afternoon the council's amendment to the bill relating to the legislative council was concurred in after speeches by the opposition charging the government. with insincerity in the matter.

The government railway subsidy act was also agreed to, the opposition not dividing the house, but charging the overnments with inconsistency on the question of subsidies.
