A BAD FACE HUMOR.

Covering the Face with Disfiguring, Painful Blotches, Cured by Cuticura Remedies,

About seven years ago I had a humor break out pon my face; it started in a small blotch and looked like the sting of a bee, then it spread and looked like a ringworm, and became very painful. I at once went to one of the best doctors in the city, and he could do me no good. No less than twelve of the best doctors have had a trial at my face, and all of them failed. I will not give you a list of their names, but will say that they were from Boston, New York, and Maine, also from England, France, and Canada. I have teen a hotel cook and steward for years. In the summer I cook at watering places; that is why I have had an opportunity of bei g among good doctors. They could not cure my face, and I had given up all hopes of ever being any better. Last June, I went to Moosehead Lake, Maine, to cook for the season My face was so bad I did not like to be seen. At the lake I met a gentleman from England. He told me to use your CUTICURA REM DIES, and they would cure me at once. I did so. The resuit was, in three weeks the sores on my face were lealed up. I used it all the season. My face is all well, and no scars to be seen. I have recommended it to a number, and in every case it has cured them. It would take a great deal of money to put me back
