believe what you believe; how you know all kinds of pain or cold.

what you know?'

'Was it in London?'

'I cannot,' said Manders, sullenly. 'You will not, you mean.' 'Well, then, I will not at this moment.' 'Then tell me, at least, your true reason for your hurried departure-why you wrote that mysterious letter-why you have shunned me until now?'

Manders looked her boldly in the face, and tried to throw an expression of passion into his dark eyes. In this he succeeded fairly The greeting which Frances gave the man she only knew by his true name, George Manders, was a purely selfish one. The fact

'Do you remember,' he asked, saftly, 'how we parted? Or do women forget these satisfaction; but she was delighted to think

'I remember,' said Frances, coldly.

'I was half mad with passion. I felt I tainty and mystery would be cleared up. ould not live in the same land with you. However dreadful the circumstances which was in that state that I might have been had caused her father's death, she was eager tempted to kill you and myself. You have to hear the full account, and never for a heard of such things being done?" moment doubted but Manders had called She bowed her head. to-day to enlighten her. It never entered her head that the Mrs. Bourchier he wanted

'My one idea was to place the ocean be tween us-to stay away until I had recover to see was the unfortunate Josephine. ed my senses. Then, just before I started. learned something about your father's death-learned it in a way that seems ble and anxiety he had caused by his wilful miraculous. I was seeking about for an exrefusal to tell her what she had a right to cuse for my cowardly desertion of you in know came back to her, and her first feeling your trouble, and this came to my hand. seized it and wrote that letter. After all, I thought, it matters little-we shall never 'Now you are come,' she said, 'sit down

'So you took the best course to make me He obeyed her command to sit down, but determined to find you.' There was such said no word. He was in a situation for incredulity in her voice that it was bound to which he was utterly unprepared, The very last thing he wanted to do, as matters now stood, was to tell Frances the whole

'I was very young and very stupid then-

always, as you may remember, had a liking for theatrical effects and mysteries. That must explain it. Was the man lying or speaking the truth? Throwing her thoughts back, and living DRS. G. J. & H. SPROUL again as well as she could through the events of those days when she waited, consumed with anxiety and fear as to her father's safety-recalling all that Manders said and did at that time, she felt almost certain the man was lying. Could he -John Boucher's friend-have had any hand in the

murder? The idea was horrible-her face

grew pale as it came to her. It came and clang to her. Then the blood tingled legally her own-that she and her husband through her veins, and she spoke on the i.r.pulse of the moment. 'I believe you are lying-you are hiding scmething from me. I know not what it is or why you tonesal it. You say you's that my father was murdered, and jou are the only man, it seems who knows it. Unless you clear the who'e thing up, I will

All these difficulties presented themselver on to speak the truth, if only to save youras he sat silent, while Frances waited im-His brow grew black. He knew she was making no idle threat, that unless he could satisfy her she would at once execute it. His estimate of Frances' character was far

from being a false one.

'You are talking like a foolish womannot like yourself,' he said, speaking very coolly, and without any sign of agitation. 'If you will listen to me, I will show you that I am acting in good faith. Sit down again-I hate to talk to anyone standing She sat down. His coolness persuaded

ing, even eager, to apologize. Please give instructions that we are not to be interrupted by anyone -not even by your 'My hasband is out of town,' she said,

ringing the bell, and telling the servant she was engaged on business and could see no in marvelling at the change a few years had Allan's absence was good news for the plotter. If he could only ascertain how long it would last, it might facilitate proceedings. 'I told you just now,' he began, 'that although I only knew broad facts, I could find out every detail. It I did not say so, I meant to do so, when your hasty questions and ridiculous accusations led me away from

> He laid particular stress on "ridiculous accusations.' Frances slightly colored. She had been hasty, and spoken foolishly, 'Now,' continued Manders, 'if you take my advice, you will be content with what I have told you; but if you insist on knowing everything. I will put you in the way of do.

'Let me know everything,' she said deed to follow, or she felt sure she must have 'Very well; if you are determined, I have

'Now, you have had plenty of time. nothing more to urge against it. But listen attentively, and try and clearly understand 'There is so much to consider and weigh,' what I am going to say.' He spoke very seriously. Frances made a 'What can there be to consider? What

motion of assent, and waited. right had you to keep silence for a day, 'I think you will understand,' he continued, after a pause, in which he collected the threads of the web he was weaving into 'I thought it best. I think it best now, the first semblance of coherence, 'that when a private man like myself obtains a clue to a crime which has baffled all detective skill, it must be from a peculiar source and in a strange manner-in fact, it may be under circumstances which a man scarcely likes to

make public.' Continued on 4th Page.

When Baby was sick, re gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria.

When she had Children, she gave them Castoria
