room. Not a ray of light from window or door broke the gloom. She could hear her assailant moving about; she heard him remove the key from the lock, and try if the door was firmly fastened. Then she heard Upon reaching Charing Cross Frances had the scraping of a match, and there was light dismissed her carriage and taken a first-class again, She welcomed it-anything was return ticket to B She inquired at what | better than that dreadful darkness. By the junction she must change trains, and being

what seemed to her the farthest side of the

rays of the vesta she could see George Maninstructed as to the right route, reached her der's dark eyes full of a wicked riumph. He was still near the door, and she found herself standing by the fireplace. The room was a small one. On her right was a wir-

dow, or what she supposed was a window, was not going to return without attaining although its semblance was hidden by wh appeared to be a carpet several times folded in view, she wished to see Manders again covering it entirely, and, it seemed, nailed to the shutters. On her left was a folding door, opening, she concluded, into a back false colors, or had a right to claim kinship room. She saw in a glance that the trap with her husband's family. If he were an she had fallen into had been laid with diabolic skill, and her heart sank as it told her that the object which had called for the ex-

the accomplishment of both missions, she Strong, muscularly strong, as she was for woman, she knew the hopelessness of a struggle between any woman and a tall, powerful man like the villain before her. It was a beautiful spring-almost summer Only by the exercise of strength far beyond her means could she free herself by physical force. Should she scream? Intuitively she knew that his cunning had brought her to a spot where no scream, within the capabilion till she came to B--, through the long ties even of Mdlle. Francesca, could attract a passer's notice. The craft this villain had curious eyes. She had nothing to conceal, displayed appalled her. What would the so her veil was not brought into requisition. end be? Titl she knew his true intentions, As she found what an innocent sleepy little let her be self-possessed and struggle against country place she had come to, her doubts fear. vanished. No evil could be intended by

All these thoughts, observations, and resolves came to Frances in a second -before the rascal broke silence.

long it would be before she encountered 'Mrs. Bourchier,' he said, 'I must apologize for my behavior, which I will explain by and by. Meanwhile, will you allow me shine and fresh air, to burst into song. She to light the candles behind you?" He spoke respectfully, so much so, that a

nameless dread which was dimly forming in her thoughts was somewhat modified. At any cost she must have light. She said nothing, but moving from her station took the side of the room Manders had quitted, and tried, as a despairing chance, to open blamed herself for forgetting her object for a the door. moment; threw the flowers away and walked 'I tested that lock pretty well yesterday, he said, without turning round; 'so don't

waste your strength on it.' when the man she expected to see rose from He lighted the two candles on the mantle the bank at the side of the road and came piece, then unlocking a cupboard in a piece of furniture, took out several more. Frances 'I told you, you could not miss the way,' was glad to see the action. Anything was

better than to be left in darkness with this They walked on side by side for a short ruffian. With the candles he produced a box of cigars, and, lighting one, drew a chair to a 'Only a few steps further. The house is table and sat down.

Then they came to one of those pailings talk with you.' which seem peculiar to places in the vicinity She looked at him with scorn too great for of London. Gray wood palings, about six words. He laughed. feet high; formed by over-lapping staves. 'Of course you are mad with me. I have They look very ugly and out of place round a brought you down here, and here you stay gentleman's grounds, but no doubt have as long as I chose. But you need not be

> frightened.' I am not frightened. Tell me what your 'I'll tell you what I want presently. But sit down : keep the table between us, if you

She sat down opposite him. For all the more natural had she been conducted to the good it would do her, it was as well to sit as to stand. Her one idea was to show him

she was not afraid. I must keep you here a little while, for I said. 'I have arranged everything, but that have a great deal to say. First of all, I must tell you there is no house within a quarter of a mile of this. It is known to be 'He is here at present. He will be gone empty, so no one will call. The window, as to-morrow. You see his friends are respectable; although, after all, the house inside is you see, is padded; so, if I let you hammer at it, I don't think you can attract any notice. Any way, you are my prisoner for the next few days, if I wish to keep you.'

'My husband will find out where I am, tent trust her companion, she was on the and soon free me,' said Frances. threshold of learning all. She glanced at Manders blew out a wreath of smoke. him. He was tapping the key on the gate 'That dear Allan, my brother-iu-law,' he

said, 'shall I tell you what he will do and he was humming. It appeared to him a where he will be to-morrow?' matter of supreme indifference how she 'He will be here to reckon with you, if

She passed through the gate, which he you dare to detain me.' locked behind her. She found herself in a 'I don't think he will. They will get large, untidy, uncared for garden, through alarmed at your absence and will send for which a moss-grown gravel path led to what Allan. He will come back, and Josephine looked like a small, low white house. The my darling wife, will tell him how I called, path was tortuous and shrubs grew on each how you found I was a dear old friend. side, so that she was only able to see that Josephine is very suspicious. She will send her guide had been quite right in calling the him to the Langham. He will find that I house a cottage. The whole place had a have left to day with a friend for Nice-left neglected, dirty, deserted appearance, but | Charing Cross. Then Allan will rage and fume, and will take the first train to follow this partially reassured her. It might not me and you. He will go hunting about be at all impossible that the man she wanted to see should be an inmate of this unkempt | the Continent, and perhaps in a fortnight's

time come back to England. George Manders said no more antil they Her heart sank. She quite believed he had taken steps to insure this result. Josephine's word and manner came back to her. The family store of medicine should con tain a bottle of Hagyard's Yellow Oil, Mrs. Hannah Hutchins, of Rossway, N. S., says "We have used Hagyard's Yellow Oil in ou family for six years, for coughs, colds, burns, sore throat, croup, etc., and find it so good we cannot do without it.

Ex-premier Mercier will stand for re election in Bonaventure County.

Failing Fast.

DEAR SIRS-My mother was failing very fast after three months' suffering from dropsy, being swollen from head to foot, but after she had used one bottle of your she felt quite well. We think there is no better medicine, and are true friends to B. 200 BBLS. AND CASES DRIED & EVAPORATED APPLES. MISS LAVANIA TAYLOR

177 Jamieson Av., Parkdale,

If not speedily relieved, may lead to serious issues. Where there is difficulty of breathing, expectoration, or soreness of the throat and bronchial tubes, with a constantly irritating cough, the very best remedy is Ayer's Cherry Pectoral. It removes the phlegm, soothes irritation, stops coughing, and induces repose. As an emergency medicine, Ayer's Cherry Pectoral should be in every household.

"There is nothing better for coughs than Ayer's Cherry Pectoral. I use no other preparation."—Annie S. Butler, 169 Pond st., Providence, R. I.
"I suffered severely from bronchitis;

CURED BY

Ayer's Cherry Pectoral. It saved my life."

—Geo. B. Hunter, Goose River, N. S. "About a year ago I took the worst cold that ever a man had, followed by a terrible cough. The best medical aid was of no avail. At last I began to spit blood, when it was supposed to be all over with me. Every remedy failed, till a neighbor recommended Ayer's Cherry Pectoral. I took half a teaspoonful of this medicine, three times a day, regularly, and very soon began to improve. My cough left me, my sleep was undisturbed, my appetite re-turned, my emaciated limbs gained flesh and strength, and to-day, thanks to the Pectoral, I am a well man."—H. A. Bean, 28 Winter st., Lawrence, Mass.
