PEREMPTORY SALE OF SPRING AND SUMMER DRY GOODS.

The ENORMOUS stocks of SUTHERLAND & CREAGHAN both at Chatham and Newcastle, thrown on the market regardless of COST or consequences. \$75,000.00 worth of new and seasonable merchandise to be sacrificed—no reserve—all must go. Having purchased for spot cash the stock and real estate at Chatham and doubled the capacity of the premises, I have decided to continue the business at Chatham as well as at Newcastle on my own account. My long business experience of 18 years on the Miramichi, and the kindness I have always received, impel me to make greater efforts to please the public-who will find my stores at Chatham and Newcastle first-class warehouses in every respect. Ladies will have no cause to send outside for goods or samples. The very latest designs can always be found on my counters as soon as James Hackett, Undertaker they leave the makers hand's. I have just returned from a business visit to the leading centres of trade in the United States and Canada having selected large lots of the latest novelties for spring and summer wear. As competition is a test, I respectfully invite keenest comparison and inspection of these merchandizes—no trouble to show goods or give samples.—Chatham and Newcastle.
