## Miramichi Advance.

CHATHAM, N. B. . . . JANUARY 28, 1892

**Northumberland Municipal Council.**  
[Continued from last week.]  
WEDNESDAY 20th.  
AFTERNOON.

Council re-assembled at 2 p. m. and adjourned until 6 for committee work—re-assembled at 6 and adjourned until 10 a. m. to-morrow.

**THURSDAY 21st.**  
FORENOON SESSION.

Council re-assembled at 10 a. m.

After routine Coun. Bets presented the petition of the Temperance Alliance of the County of Northumberland stating that for some time, little if any effort has been made by the present Inspector for the enforcement of the Canada Temperance Act, he having neglected to prosecute cases about which, according to his own statement, there could be no doubt of a conviction; also that it is a well-known fact that intoxicating liquors are openly sold throughout the country and no reasonable doubt can be entertained that if the Inspector desired to enforce the law, ample evidence of its violation could be obtained by him and must be within his knowledge. For these reasons the petitioners pray that the Council appoint another Inspector in the place of the present one, and make other provisions for the enforcement of the Scott Act in the County.

Referred to committee on petitions.

Coun. Bets also presented a petition of similar tenor from the Newcastle W. C. T. U.

In reply to Coun. Adams, Coun. Morrison of the committee on petitions said that these petitions would doubtless be considered at once and reported upon to-day, so that interested parties might, if the Council so decided, be heard.

The Secretary read his own petition praying for rebate of interest on a balance due by him of purchase money on a lot of public land in Newcastle, said land having seriously deteriorated in value, and up to the time of its purchase by him having yielded nothing to the County for a long term of years. Referred to committee on petitions.

Petition of James Aiton for relief from taxation in the parish of Newcastle was referred.

In reply to Coun. Dickson the Secretary-Treasurer, said the High Sheriff had promised to pay over the amount in his hands collected on the Conway bond in the Parish of Glenelg and he expected to receive it in a short time.

Coun. Dickson said it was improper that this money should be still retained after an order had been passed last year by Council directing the Secy-Treas. to proceed for its recovery.

The Secretary-Treasurer said it must be remembered that the Sheriff had a claim against the County on account of which he had held this money, as he insisted on being paid, and Coun. Dickson must understand that such a matter could not be settled as quickly as he had imagined. He had no doubt the Sheriff would pay over the money as promised, but he would proceed to an extreme course if the Council so ordered, although that might not result in the money being any the sooner obtained.

Coun. Dickson said it seemed an injustice to the parish of Glenelg that its money should be taken to pay a claim against the County.

Coun. Morrison read petition of the W. C. T. U., of Chatham of similar tenor to that of the Newcastle body in reference to the Scott Act Inspectorship, which was referred to committee on petitions.

Coun. Swin read petition from Henry Swin of Doaktown praying for relief from a portion of his assessment in Blisfield. Referred. Coun. Sullivan objecting to its reception on the ground that it was not sworn to. Referred.

Coun. Adams gave notice of resolutions affirming the desirability of the County guaranteeing the interest at four per cent on an amount equal to \$2,000 per mile for the construction of railways contemplated in the Local act of last session; also in aid of the construction of telegraph and telephone lines in certain parts of the County now without such facilities.

The foregoing resolution was made the order of the day for 10 a. m. to-morrow.

Coun. Tozer, from the County Accounts Committee, submitted the following report on Scott Act Accounts.

The County Accounts Committee having examined the Canada Temperance Act accounts find that the Inspector during the past year has had fines imposed to the amount of \$750—of which he has collected \$423.50 (23.50 of which was paid to the Secy-Treasurer since the meeting of Council.) This leaves a balance of \$326.50 still outstanding, part of which, say \$75 to \$100 is collectible, three persons having served their time in jail under their several convictions.

From convictions made during the year 1890 he has collected \$189.75. This makes the total receipts for the year \$613.25.

The Secretary-Treasurer's account, which we find correct show a balance on hand of \$795.13.

Since filing his statement the Secretary-Treasurer has received from police magistrate McCulloch \$23.50, making a total now in his hands of \$818.63.

The Secretary-Treasurer's account is \$15.92—total \$666.88. When these accounts are paid there will remain in the Secretary-Treasurer's hands a balance of \$251.75.

The Inspector's salary and expenses for the past year amount to \$717.64 and his total collections to \$613.25.

Coun. Tozer read report of Inspector Brown on same accounts, which set forth that the enforcement of the Scott Act had done much to suppress the traffic, and that the open sale of liquors was entirely abandoned in the County. He had reduced lawyer's expenses to a minimum by himself conducting cases against offenders.

After reading the reports Coun. Tozer referred to the fact that the Inspector had been absent from the County for about a month, saying that it remained for the Council to consider whether he should be paid for the time when he was absent

	.. from J. Fotheringham	25.00

The balance on hand at the beginning of the year, received from the previous Treasurer was \$152.31, against which there was unpaid bills amounting to \$47.50, all of which have been paid off during the past year.

We had eight alms of fire rounded during the year, only one of which was attended with any loss of property.

The boiler of the fire engine being found unfit for service, the Board deemed it necessary to procure a new one at a cost of \$700, which amount the Board has arranged to pay over to the next year.

At the last meeting of the Board a resolution was passed asking for an assessment of \$1,000 on the district for the present year.

Respectfully submitted
