Miramichi Advance.

Beginning with the issue of November 6th, 1890, when the ADVANCE entered upon its

Seventeenth Year of Publication!

The publisher made an important change in the terms on which the paper isfurnished to Subscribers. These include

1st. Strict adherence to the system of cash in advance for all subscriptions.

2nd. The reduction of the price of the paper to

One Dollar a Year

It is to be particularly understood that all outstanding subscription accounts due after November 6th, 1890, are to be settled on the old terms, viz., \$2 per year, the advertised credit rate.

I have made special arrangements with the

-AND TRE-

of Montreal by which I will furnish either of those papers and the

TOGETHER AT

One Dollar and Sixty Cents a Year I have made the foregoing changes in the business of the ADVANCE

The first is because many patrons who have been given credit, have abused the privilege to such an extent as to make northeast corner of building lot number two the business of publishing the paper a non-paying one, and it is necessary, in my own interest and that of those who do pay, that I should no side line of said lot number two to the eastlonger continue to furnish the AD ANCE to those non-paying subscribers.

The second reason is, that I wish to meet the competition of the city weeklies, which are made up from the type of the dailies

Street to the south side of said Johnstone Street and thence north sixteen degrees west fifty feet, or along the easterly side of said Johnstone Street to the south side of said Street so laid and, therefore, cost little for production in comparison with a local paper like the ADVANCE, the type of which must be set up especially

Having published the ADVANCE for sixteen years, and endeavored aforesaid, at the northeast corner of buildto make it a creditable representative of Miramichi and North Shore ing lot number eight on the said plan, Dated at Chatham, 24th March, 1891, enterprise—a paper which may be taken into any household without thence south sixteen degrees east, along the easterly side line of said lot number eight fear that it has catered to sensationalism at the sacrifice of that clean- fifty feet, thence north seventy-five degrees liness of matter, which is too often neglected by the press of the day-I have reason to hope the foregoing announcement will meet with thirty minutes west thirty-seven feet or general approval and be the means of largely increasing the circulation along the west side of the said tannery or to and influence of the paper.
