ing powers over all the organs of the system and controling their secretions. It so purifies the blood that it cures all blood humors and diseases from a common pimple to the worst scrofulous sore, and this combined with its unrivalled regulating, cleansing and purifying influence on the secretions of the liver, kidneys, bowels and skin, renders it unequalled as a cure for all diseases of the skin. From one to two bottles will cure boils, pimples, blotches, nettle rash, scurf, tetter, and all the simple forms of skin disease. From two to four bottles will cure salt rheum eczema, shingles, erysipelas, ulcers, abscesses, running sores and all skin eruptions. It is noticeable that sufferers from skin diseases are nearly always aggravated by intolerable itching, but this quickly subsides on the removal of the disease by B. B. B. Passing on to graver yet prevalent diseases such as scrofulous swelling, humors and scrofula, we have undoubted proof that from three to six bott'es used internally and by outward application (diluted if the skin is broken) to the affected parts, will effect a cure. The great mission of B. B. is to regulate the liver, kidneys, bowels and blood, to correct acidity and wrong action of the stomach and to open the sluice-ways of the system and to carry off all clogged and impure secretions, allowing nature thus to aid recovery and remove without fail bad

We guarantee every bottle of B. B. P. Should any person be dissatisfied after using the first bottle we will refund the money on application, personally or by letter. We will also be 'glad to send testimonials and information proving the effect of B. B. B. in the above-named diseases on application to T. MILBURN & Co., Toronto, Ont.
