Miramichi Advance.

Beginning with the issue of November 6th, 1890, when the ADVANCE entered upon its

Seventeenth Year of Publication!

The publisher made an important change in the terms on which the paper isfurnished to Subscribers. These include

1st. Strict adherence to the system of cash in advance for all subscriptions.

2nd. The reduction of the price of the paper to

One Dollar a Year

It is to be particularly understood that all outstanding subscription accounts due after November 6th, 1890, are to be settled on the old terms, viz., \$2 per year, the advertised credit rate.

I have made special arrangements with the

of Montreal by which I will furnish either of those papers and the

"ADVANCE"

TOGETHER AT

One Dollar and Sixty Cents a Year!

I have made the foregoing changes in the business of the ADVANCE or two reasons.

The first is because many patrons who have been given credit, and bounded as follows, viz:—On the westerly side by lands owned by lands owned by the privilege to such an extent as to make

have abused the privilege to such an extent as to make by lands owned by the heirs of the lands owned have abused the privilege to such an extent as to make by lands owned by the lands owned by Finlay McDonald, on the easterly side by lands owned or by Finlay McDonald and also by lands owned or overline by lands owned by the said Robert McDonald, on the front sary, in my own interest and that of those who do pay, that I should no longer continue to furnish the AD ANCE to those non-paying subscribers.

The second reason is, that I wish to meet the competition of the city weeklies, which are made up from the type of the dailies to the said Robert McDonald, on the front by the said Miramichi River, and extending to the rear of the lots; and being the land and premises lately owned and occupied by the said Miramichi River, and extending to the mean of the lots; and being the land and premises lately owned and occupied by the said Mobert McDonald, deceased, and devised by the said John McDonald and Margaret Russell McDonald, his wife, to the said Robert McDonald, by will dated the 15th day of June, A. D., 1888.

and, therefore, cost little for production in comparison with a local paper like the ADVANCE, the type of which must be set up especially for it.

Having published the ADVANCE for sixteen years, and endeavored to make it a creditable representative of Miramichi and North Shore enterprise—a paper which may be taken into any household without SHERIFF'S fear that it has catered to sensationalism at the sacrifice of that cleanliness of matter, which is too often neglected by the press of the day-I have reason to hope the foregoing announcement will meet with general approval and be the means of largely increasing the circulation and influence of the paper.
