CHAPTER I. In the course of a long life, first as a lawyer and later as a circuit judge in Ontario, I have been thrown in contact with as great a variety of men as anyone could possibly meet, and moreover I am credited with possessing a pretty keen eye for the character of men who pass through my hands. Usually results from a deranged stomach or a sluggish liver. In either case, an aperient is needed. Ayer's Pills, the mildest and most reliable cathartic in use, correct all irregularities of the stomach, liver, and bowels, and, in a brief time, relieve the most distressing headache. These pills are highly recommended by the profession, and the demand for them is universal. "I have been afflicted, for years, with headache and indigestion, and though I spent nearly a fortune in medicines, I never found any relief until I began to take Ayer's Pills.
