On Thursday last the Gloucester election petition came to an inglorious end.

The petitioner, copy served on Mr. Burns was no good, because of important matter being omitted from it.

Castorix is recommended by physician for children teething. It is a purely vegetable preparation, its ingredients are published under each bottle.

Mr. C. Bruce Macdonald, formerly editor of the Restigouche Pioneer, has issued the first number of his new Moncton paper, The Plain Dealer.

Whether the poor fellow's death was by scalding, suffocation, concussion, drowning or strangulation, the jury did not seem to think it their duty to determine, nor did they seem to understand that their verdict should be in accordance with the testimony.

Mr. Macdonald Snowball, manager of the Chatham Electric Light Company, although apparently recovered from his recent illness, has been advised to seek the sea.

Meetings held every week in their rooms upstairs, Barry's Building, as follows:—Sunday morning at 10 o'clock, for Prayer and Praise.

The annual session of the Municipal Council of the County of Restigouche, met at the Council Room, Dalhousie, on Tuesday the 19th January, at 11 o'clock, a. m.

The following Councilors were present:—Addington:—Couns. Mowat and McRae. Dalhousie:—Couns. Shaw and Le Blanc.

On Tuesday afternoon last, a large number of citizens of all classes, for Mr. O'Keefe was one of the best known stevedores of the port, and was highly esteemed.

On Friday evening, when a vote of thanks was tendered the Warden for the able and impartial manner in which he presided over the meeting.
