## A Cardinal Sin.

He made the best of his way there. As she passed through the village the saddler who had given him such valuable information saluted him respectfully. Allan could not bring himself to stop and inquire whether the little man had seen the lady pass; he went on quickly to the railway station. Frances was not there, but an official informed him that a lady answering to her description had taken the previous train to town.

He was glad to hear it; she was safe and on her way home. He had no wish to see his wife again until he had been to Redhills. Another train would leave B-in a few minutes. He would just have time to drive to Caversham Place. ask Josephine if her husband's statement as to the purloined papers was true, then catch the limited mail for the West.

Allan wondered if any man-had ever found such varying emotions and stirring events crowded into eager manner. Mrs. Melville and one day, as he had found in this one. In it he had lived a lifetime!

ESTIMATES FURNISHED WAR MURRENAM

Beginning with the issue of November 6th, 1890, when the ADVANCE entered upon its

Seventeenth Year of Publication!

The publisher made an important change in the terms on which the paper isfurnished to Subscribers. These include 1st. Strict adherence to the system of cash in advance for all sub-

scriptions. 2nd. The reduction of the price of the paper to

# One Dollar a Year

It is to be particularly understood that all outstanding subscription accounts due after November 6th, 1890, are to be settled on the old tance of one hundred and six feet ten inches, terms, viz., \$2 per year, the advertised credit rate.

I have made special arrangements with the

TELEGRAPH OF AND THE

HEARLD AND WEEKLY STAR

of Montreal by which I will furnish either of those papers and the ADVANCE"

TOGETHER AT One Dollar and Sixty Cents a Year

I have made the foregoing changes in the business of the ADVANCE or two reasons.

The first is because many patrons who have been given credit, ave abused the privilege to such an extent as to make on said plan, there could building lot number eight on the plan of the said property, thence south sixteen degrees east or along the westerly side line of said building lot number eight, fifty feet or to the northeast corner of building lot number two long the westerly side line of said building lot number eight, fifty feet or to the northeast corner of building lot number two long the westerly side line of said building lot number eight, fifty feet or to the northeast corner of building lot number two long the westerly side line of said building lot number two long the westerly side line of said building lot number eight, fifty feet or to the northeast corner of building lot number two long the westerly side line of said building lot number two long the westerly side line of said building lot number eight, fifty feet or to the northeast corner of building lot number two long the westerly side line of said building lot number eight, fifty feet or to the northeast corner of building lot number two long the westerly side line of said building lot number eight, fifty feet or to the northeast corner of building lot number two long the westerly side line of said building lot number eight, fifty feet or to the northeast corner of building lot number two long the westerly side line of said building lot number eight, fifty feet or to the northeast corner of building lot number two long the westerly side line of said building lot number eight, fifty feet or to the northeast corner of building lot number two long the westerly side line of said building lot number long the westerly side line of said building lot number long the westerly side line of said building lot number long the westerly side line of said building lot number long the westerly side line of said building lot number long the westerly side line of said building for two reasons.

have abused the privilege to such an extent as to make on said plan, thence south seventy five dethe business of publishing the paper a non-paying one, and it is necessary, in my own interest and that of those who do pay, that I should no early side of said Johnstone Street and thence erly side of said Johnstone Street and the said t longer continue to furnish the AD /ANCE to those non-paying subscribers. north sixteen degrees west fifty feet, or The second reason is that I wish to meet the competition of the along the easterly side of said Johnstone city weeklies, which are made up from the type of the dailies and, therefore, cost little for production in comparison with a local ginning paper like the ADVANCE, the type of which must be set up especially

Having published the ADVANCE for sixteen years, and endeavored aforesaid, at the northeast corner of buildto make it a creditable representative of Miramichi and North Shore enterprise—a paper which may be taken into any household without easterly side line of said lot number eight fear that it has catered to sensationalism at the sacrifice of that clean- fifty feet, thence north seventy-five degrees liness of matter, which is too often neglected by the press of the day-I have reason to hope the foregoing announcement will meet with thirty minutes west thirty-seven feet or general approval and be the means of largely increasing the circulation | along the west side of the said tannery or to and influence of the paper.
