Parlor and Cooking Stoves I have made the foregoing changes in the business of the ADVANCE with PATENT TELESCOPIC OVEN for two reasons. the lining of which can be taken out for cleaning thereby doing away with th removing of pipe or oven as is the trouble with other stoves.

The first is because many patrons who have been given credit, have abused the privilege to such an extent as to make the business of publishing the paper a non-paying one, and it is necessary, in my own interest and that of those who do pay, that I should no longer continue to furnish the AD JANCE to those non-paying subscribers. **"THE**

The second reason is, that I wish to meet the competition of the city weeklies, which are made up from the type of the dailies and, therefore, cost little for production in comparison with a local paper like the ADVANCE, the type of which must be set up especially
