Proposed Bill for an Act of Incorporation for the Town of Chatham.

We published last week, the first ten sections of the proposed bill for an Act to incorporate the Town of Chatham. The remainder of the bill is as follows:—

DISQUALIFICATION FOR MAYOR OR COUNCILLORS.

11. No person shall be qualified to be elected to serve in the office of Mayor or Councillor, or serve therein, so long as he holds any office or place of profit in the gift or disposal of the Council, nor during such time as he shall by himself, his partner or in any other way or manner directly or indirectly, have any share or interest in any connection or employment with or on behalf of the said Council; nor shall any person accountable for the town revenues or any part thereof, or any officer or person presiding at any election of a Mayor or Councillor while so presiding, nor any clerk or assistant employed by him at such election while so employed, be elected to the office of Mayor or Councillor in said Town; provided nevertheless, that no person shall be disqualified to serve as Mayor, or Councillor as aforesaid, by reason of his being a proprietor or shareholder in any Company which shall or may contract with the Town Council for lighting or supplying with water or insuring against fire any part of the said Town; provided always, that such disqualification shall not arise from holding any lease of land from the Corporation, and that no Councillor shall receive into his hands any moneys for and on account of any contract, work or employment made, done or performed by or on behalf of or by direction of said Corporation, but that all moneys due by said Corporation on any such account, shall be paid by the Receiver of Taxes of the Town to the person or persons who shall have actually done such work and shall be entitled to such moneys by, under or for such contract, work or employment, or to his or their order.

MAYOR OR COUNCILLOR ELECT NOT ACCEPTING OFFICE.

12. When any person duly elected to the office of Mayor or Councillor shall neglect or refuse to accept the same thereafter and take the oath of office hereinafter provided, for the space of ten days after the election, his said office shall be deemed vacant, and the Town Council shall declare such vacancy and order a new election to supply his place, to be held at such time as the said Council shall direct or appoint.

MAYOR OR COUNCILLOR REMOVING PLACE OF RESIDENCE, &C., DISQUALIFIED.

13. If any person holding the office of Mayor or Councillor remove his place of residence without the limits of the Town, or in case the Mayor or any Councillor shall be absent from the meetings of the Council, for more than two months continuously except in case of illness or by leave of the Council first obtained, then in every such case said person shall, if the said Council shall so declare at the next regular meeting immediately be deemed and taken to be disqualified and shall cease to hold his office of Mayor or Councillor, and his place shall be filled by a new election to be held in the manner hereinafter directed for holding elections, and to be held at such times as the Council shall direct and appoint.

ANNUAL ELECTIONS.

14. The first election for a Mayor and Councillors for said Town after the passing of this Act shall be held on the third Tuesday in April next succeeding the adoption of the Act by a vote of the said Town as hereinafter provided and the annual election for a Mayor and Councillors as aforesaid in all succeeding years shall be held on the third Tuesday in April in each and every year thereafter.

15. From and after the adoption of this Act, the annual election of Mayor and Councillors shall be held on the third Tuesday in April in each and every year, at such convenient place in each and every of the several Wards, and before such persons as shall be appointed for the purpose by the Town Council, or in case of the neglect or refusal of the Town Council to appoint such places or persons within twelve days before the election, then such places and persons may be fixed and appointed by the Mayor of said Town.

16. Public notice of the time and places for holding every election shall be given by the Town Clerk, by publishing notice in one or more of the newspapers printed in the said Town (if any such there be), and by printed handbills to be posted up in three or more public places in each of the several Wards, for not less than ten days previous to such election, provided always that the elections in the several Wards shall be held at the same hour.

17. Not later than six o'clock in the afternoon of the Friday previous to the annual election of Mayor and Councillors as provided by this Act, nominations of persons duly qualified for the respective offices of Mayor of the said Town and of Councillors for each of the different Wards of the said Town, signed by two or more duly qualified electors of said Town, shall be filed at the office of the Town Clerk with the said Clerk, and if a greater number of persons are nominated for any of the said offices than are required to fill said offices, the said Town Clerk, not later than ten o'clock of the forenoon of the day of such election, shall notify the polling officers of the different Wards of the persons so nominated for said offices, and shall cause the names of the different candidates for said offices to be posted in some conspicuous place in each polling booth in each Ward where such election is to be held, and the said polling officers shall thereupon at ten o'clock in the forenoon of the day of such election, open a poll for the election of persons from among the candidates so nominated for said offices so to be filled as aforesaid, and shall keep the same open till four o'clock in the afternoon of the said day.

18. All elections for Mayor and Councillors shall be by ballot. The Town Clerk shall prepare a list for each ward of the candidates for the respective offices of Mayor and Councillors signed by the Clerk, and furnish the polling officers of the different wards with printed copies thereof to be supplied by the polling officers to the electors for the purpose of voting at all elections for Mayor and Councillors or either of said officers, and each qualified elector wishing to vote shall deliver to the polling officer one of the said printed lists, having first struck out therefrom any and all the names thereon except those of the candidates for whom he may intend to vote.

19. The polling officer shall ascertain if possible without reading it, that the ballot is single and then shall closely fold the ballot and deposit it in the ballot-box, and should he discover the same not to be single, he shall immediately reject the ballot and the party who tendered the same shall be deprived of his vote at that election; and if in sorting the ballots it should be found that a ballot is double or more than one has been so folded together and deposited, or if any paper purporting to be a ballot should be found not to be one of such printed lists, all such ballots shall be wholly rejected, or if any ballot shall not have a sufficient number of names struck out therefrom to reduce the number of candidates thereon to the proper number of candidates, such ballots shall not be counted for the office or offices in respect to which such irregularity refers, but shall be counted for the office or offices for which the names of the proper number of candidates appear thereon.

20. That the polling officers at any election of Mayor and Councillors or any or either of them shall not be disqualified from voting at such election as electors, by reason of being such officers.

21. That the name of each elector voting at such election shall be written in a poll list, and after the close of the poll the officer holding the election shall forthwith openly and publicly ascertain and declare the number of votes given for each of the candidates, and as soon as possible thereafter he shall make return thereof under his hand, of said election to the Town Clerk, who shall at the Council Chamber at the hour of six o'clock in the afternoon of such election day or so soon thereafter as practicable declare the candidate or candidates having the greatest number of votes duly elected; provided however, in case an equal number of votes shall have been cast for two or more candidates for any office, the Town Clerk shall give the casting vote or votes, and declare such candidate or candidates for whom he shall give such vote or votes duly elected. In case no more candidates are nominated for any office than are necessary to fill the same, a poll shall not be held in their case but the Town Clerk shall, when making the declaration aforesaid, also declare such candidate or candidates duly elected.

22. The officer or person holding such election shall not be bound to keep the poll open until four o'clock in the afternoon in any case where no more candidates have been nominated than may be necessary to be elected. All officers or persons holding such elections shall preserve all rejected ballots, and shall deliver the same together with the good ballots, receipts for taxes and poll lists with their returns for said elections to the Town Clerk as soon as possible after said election, to remain in the office of the Town Clerk, where they shall be open for inspection to any elector on payment of twenty cents.

23. No person shall be allowed to vote at any such election unless his name shall appear on the list of voters for the ward in which he claims to vote, and such elector shall if required by the officer or person holding such election, or by any one of the candidates or by any elector make oath or affirmation before the officer or person holding such election in the form following, that is to say:—

"I, A. B., do solemnly swear (or affirm) that I am of the full age of twenty-one years, that I am the person named in the list of voters, that I have not before voted at any ward at this election—So help me God, Which oath or affirmation before the officer or person holding such election is hereby authorized to administer and in every case where the

HEART FAILURE, FAINTNESS, ACUTE DYSPEPSIA,

with Complete Nervous Prostration. Cured by Using HAWKER'S NERVE & STOMACH TONIC.

A LADY'S EXPERIENCE.

Mr. Wm. Thompson of Musquash, N. B., says: "For 2 years past my wife has suffered with nervous prostration, accompanied with complete nervous prostration, and a smothering sensation about the heart which frequently produced an attack of faintness. She became weak and nervous, lost all energy, and had a constant feeling of dread. She suffered with intense pain in the stomach after eating, which was usually followed by the vomiting of bile. She tried a great many remedies and was treated by the doctors for some time, but obtained no relief. She became so discouraged that she gave up all hope of ever getting better, when our pastor suggested that she try HAWKER'S NERVE AND STOMACH TONIC and LIVER PILLS. She had purchased some of these pills, and after taking the second dose, and has continued to improve ever since until today she is as well as ever, and can enjoy her food without fear of suffering. I cannot speak too highly of these valuable medicines which have restored my wife to health and strength and saved much suffering and expense."

Rev. Henry M. Spike, Rector of Musquash, N. B., says: "I am personally acquainted with Mrs. Thompson's case, and am greatly pleased that the medicine which I recommended to her produced such remarkable results."

Sold by all druggists and general dealers. TONIC 50 cts.; PILLS 25 cts. Manufactured by the
