

House of Commons. It may be assumed that they will wisely wait to see who may be in the field when an election is brought on, for there is no denying that it will be largely a matter of men with them. There never was a time when party ties were weaker in Northumberland than they are at the present time, but it must not be assumed that Mr. Mitchell or Mr. Anybody else can swoop down upon us and enjoy a walk-over, merely because he is a clever manipulator in the matter of interviews, not only in Canada but in Boston and New York, as well.

Serious Illness of Sir John Allen.

Universal regret is felt over the serious illness of Sir John Allen, Chief Justice of New Brunswick. He was stricken with paralysis at St. Andrews on Tuesday last week, while telegrapher Rittenen was reading over to him the notes of the proceedings of the day at the Court over which he was presiding. His right side, arm and leg were paralyzed. Superintendent Zimmerman of the C. P. Rail way placed his private car at Sir John's disposal and on Sunday last he was in sufficiently good condition to be removed to his home in Fredericton, where he now lies, slowly improving. His many friends hope that a reasonably long leave of absence from his official duties may lead to his restoration to health.

Mr. Adams, M. P., at Ottawa.

The Ottawa Evening Journal of 10th inst. says:— "Hon. M. Adams, member of parliament for Northumberland, N. B., has been in the city the last few days and left for home this morning. His mission was departmental. Before leaving he informed the Journal that he was entirely satisfied with the interest taken by the various ministers with his representations. Judging from his laudatory remarks concerning the minister of marine and fisheries, Sir Hibbert Tupper, it was evident he held the minister to be the right man in the right place, devoted to his work and administering his department in a business-like and statesmanlike manner. Mr. Adams spoke enthusiastically also of the Hon. Mr. Haggart for the great success achieved in the management of the Inter-continental railway, and expressed the opinion that Canada never had a more able and zealous minister of railways. In addition to the ministers named, it was necessary for him to interview Sir John Thompson, Sir Adolphe Caron and Mr. Clarke Wallace, all of whom factored in every way possible the work he had in hand, and he left for home highly pleased and gratified with the result of his visit to the capital."

ENDORSES "SIR" PETER.

A prominent New Brunswicker says the Old War Horse will be Re-Elected to Parliament.

Mr. James Robinson, M. P. P. for Northumberland County, New Brunswick, and lady, are guests at the Windsor Hotel. They have just returned from an extended tour of nearly five weeks devoted to the Western States, having departed on week to the Chicago Fair. He was called upon by a Star reporter with a view to obtaining an interview as to his impressions as well as of the Fair as of those Western States which he visited.

Miramichi and the North Shore, etc.

THANKSGIVING, to-day. There will be service in St. Mary's chapel, Chatham, at eleven o'clock.

SNOW.—There was a foot of snow at Owen Sound last Friday.

MANITOBA had its second snow storm of the season on the same day.

CHATHAM'S first snow came last night.

SUBSCRIBERS will oblige us by remembering that the ADVANCE entered upon its twentieth year of publication a fortnight ago and that it is their duty to pay their subscriptions.

LAST YEAR, Thanksgiving day was on 10th November. Gratitude for the mercies of the year is a little behind this year, owing to the excessive party agitations of 1893.

NEGATIVE GOVERNMENT PIER is practically finished. The Miramichi may now land passengers at its end. Trains are being driven upon it. The work is in the hands of Mr. R. Flanagan and under the immediate supervision of Mr. Anthony Adams.

LOSS OF THE LIPOTAR: A New York despatch of 15th says:—"Barque Freida Mahn, at New York, Nov. 13, from London, on Oct. 30, 37 N., fell in with the Norwegian brig Lipotar from Chatham, N. B., for Waterford, dead laden, waterlogged. All hands were taken off and landed here."

INCORPORATION.—The meeting of rate payers to consider the proposed bill of incorporation for Chatham is to be held in Masonic Hall to-morrow evening. We hope all interested will take the measure and go prepared to discuss it freely.

THE BARQUE ARMEIDA, 630 tons, Graham master which left Liverpool on 19th October, came into port on Tuesday. She was detained six weeks in Liverpool to be re-coppered and re-classed and still will make three Atlantic voyages from Miramichi the present season.

MRS. HARRISON.—In order to convenience those who wish to attend Mr. Harrison's Concert, arrangements have been made to have the steamer "Nelson" leave Newcastle at 7 o'clock, calling at Bushville and Douglas town and return after the concert. Tickets for sale at E. Lee Streets, Newcastle and Mackenzie's, Chatham.

BETS ALL RECORDS.—As we go, left the Barque Ruby, Capt Ferguson which, left Dundrum, Oct. 29th, is coming into port. She is consigned to Messrs. Ritchie, Newcastle, and this is her fourth trip to the Miramichi during the present season. She breaks all previous records, as the best ever done hereabouts has been to make three trips in a season.

CLAMS CANNED.—Mr. W. S. Brown, of Macoe's Bay, Charlotte Co., N. B., received a prize at the World's Fair for his canned clams. Mr. Brown cans about 12 lbs. of clams per day at his factory at Macoe's Bay. He intends putting up sardines also. (Critic.)

THE CLAM PUT UP BY Mr. Brown are for sale at Mr. W. T. Harris' Chatham, and are pronounced superior article by everybody who uses them for making chowder, soup, etc.

A NEW EVENING DAILY called "The Record" has appeared in St. John. The first number, which is the only one that has reached us, presented quite a creditable appearance, being well edited and evidently issued with the good will of mercantile St. John, whose representatives had extended a liberal patronage to the new venture. Mr. E. S. Carter, proprietor of Progress, is the managing editor, and his antecedents in journalism encourage anticipations of a very successful "Record."

PERSONAL.—Mr. John Robertson, the popular and well known member of the hardware firm, Kerr & Robertson, St. John, was in town last Thursday.

Mr. Robinson, Esq., M. P. P. and Mrs. Robinson reached St. John last week from a trip to Montreal and other points in the western States, including Chicago.

Mr. James Miller, who, although most of his time while on the North Shore at Mortimore, was one of our most enthusiastic yachtsmen, is now in Jeannette, Pa. within 20 miles of Pittsburgh and 5 miles west of Johnstown. Writing to a friend here, he

and were it not for his having been taken sick before his arrival, and his inability to visit the districts of the county, having been confined to his bed for ten days thereafter, the probability is that he would have beaten us notwithstanding all our influence and money. For myself, and I express also the opinions of a great many of my class, we realize that we made a mistake in rejecting him, and are determined on the next occasion to retrieve our error and put him in. We have nothing against our present member, Mr. Adams, who is a decent fellow, and he has done nothing, and seems unable to do anything in his capacity as a representative.

Amended School Regulations.

Under amendment made by the Board of Education to the School Regulations:—"The term 'school hours' shall mean and include all the time between the opening and the closing of the school for the day; but the hours of teaching shall not exceed six each day, exclusive of at least an hour allowed at noon for recreation."

Safe, Sure, and Painless.

What a world of meaning this statement embodies. Just what you are looking for, is it not? Patnam's Painless Cure Extractor—the great pop-corn cure—acts in this way. It makes no noise; it acts quickly and with certainty; sure and mild, without inflaming the parts; painless. Do not be imposed upon by imitations or substitutes.

The Murder of Wm Sullivan.

The Washburn County, Wis., "Register" gives the following account of the murder of Mr. Wm. Sullivan at Shell Lake, some particulars in connection with which we published last week:—"The news of the assassination of Red Bill Sullivan, as he was popularly called, created a profound sensation in this and adjoining districts where he was a well known character. The manner in which he met his death, under cover of darkness behind the community to a sense of its obligations to fellow men and the protection of society and extraordinary efforts are being made to run to the earth the foul murderer of the BIG HEARTED SULLIVAN."
