their visitor maintained a sullen He glanced at his watch as he carriage. At the door he turned dashed into the building. A full to the wife. "Remember the hour remained in which to get his power of money" he said, and with- copy ready. In the local room a out a glance at her husband, he group of belated reporters looked up in surprise as he hastily entered the night editor's room.

"Barstow must have a good one, one remarked, with a look of envy. The fortunate man did not reapyou the meaning of all this, for it pear. He sent for the artist and gave him a rough outline of the tragedy, with instructions to make what he could out of it. Then he set to work furiously. Within the hour the article was ready for the press. This done he dropped wearily on a lounge and fell asleep. It was 9 o'clock when he awoke.

His first thought was for a copy of the paper. Yes, it was all there; a sensation with a vengence. There was even a drawing of the tragedy, with Senator Sage represnted in the act of firing at the prostrate form of his victim, and the figure of a girl and a man in the background. The well-known features of the murderer were unmistakable.

Barstow's next thought was for his wife. The paper must have "Was George Stern, a former been delivered two or three hours partner of theirs. It happened in earlier. He hurried out and went our cabin near Altaville, in Col- directly home. An aunt of his cards, when a dispute arose and "Be prepared for the worst," she
