Cold Winter Coming.

FOXES DIG DEEP AND MUSKRAT HOUSE-WALLS ARE THICK.

men have agreed, says the Sun, must content ourselves in following that "finer weather never laid out up the first. o' doors than what we've been havin', but unless the signs fail, "we're a woman who is all humility and goin' to get it right smart the other | deference before marriage, develops way," beginning very soon.

on which Adirondack folks rely with the intention of addressing ture of the weather.

holes of which report was made in | coal, runs to the grocery, shakes the hotel horse shed at Grante had the rugs, sifts the ashes, peels the been found in the earth instead of potatoes, and crawls off to business the rocks, where they are usually with his erstwhile haughty spirit found. The fox is "a right cunnin' limper than his linen. When a half and digs a hole accordingly.

it was a cold if bright day. "See the sweat," said Uncle Dan'l

of em has an unusually thick coat. chair to brace himself, pulls himself as thick as on a bear's skin. It is confidently asserted that a thick coat always grows on all

domestic animals when a very cold winter is expected, Another woodsman called attention to the old beaver meadows.

I can show you stalks from six to spoke almost at the same time. six and a half feet long in what I cut for bedding." he said, " and that growth is noticed, they say, only in the kind of a year when the muskrats are likely to need a particularly warm home for the season." The muskrat homes have not

been attacked yet in the regular fall hunts, but one man, Bill Mc-Dougal of the Twin lake stream luck," and found the walls, he said, at least a quarter thicker than they were last year.

The old stand-by sign of the goose bone is hooted at by the woodsmen of this section, but two men who brought deer out of the woods on the last day of the season, and kill many partridges every fall, said that all kinds of game are dressed in unusually warm coats, as are the domestic animals.

because the most trustworthy of all. the crafty sea and the stealthy After listening to what the rest fog. All her white sails were set Hickley lumber mills went to an apple tree not far from the shed and decks. Ice in the riging gleamed took away a cocoon made there by like diamonds. She was deep in broke it open before the woodsmen.

Very few if any of the spectators fish in her hold. were familiar with cocoons but Mr. Talbot who is a naturalist as well as an expert politician and a lumberman said the softness as well as the thickness of the material indicated the kind of weather to which the other signs pointed.

A Man's Woman.

[Mary B. O'Sullivan in December Donahue's.] WANTED .- A wife, humble, handsome, accomplished, amiable, stylish, entertaining, taking collector of masculine bric-a-brac, including tobacco ash, cigar stumps, old shoes, and other debris left over from the wedding; in addition to these trifling qualifications, she must possess a knowledge of the fine arts, be a sweet singer, brilliant mental mechanism as to enable her to analyze the subtle niceties of thought govern-ing the varying moods of her would-be master. No proposition will be favorably received unless the applicant can pass a satis-BACHELOR, 1313 Washington St.,

This is no imaginary advertisement: it is a veritable statement of what one retiring man hopes to find in his life partner, a frank outspoken summary of what he considers indispensable to happiness. He didn't say anything about what she might expect in return, beyond intimating that he would be willing humor to keep her in coal and kindling, let her have a new gown now and again, and give her ample oppor-tunities for athletic development in bringing order out of his chaotic months.' surroundings.

Boston, Mass.

There was one point on which that was, "No questions!" He said into a fortune, wouldn't you feel he'd spend his money as he liked, guilty? come and go when he liked, stay out as late as he liked, and come home when, how or in what condition he liked, without putting in the world was against him. an excuse with his appearance. He gave his audience to understand that he could say sweet things if little of a coquette, and no he wanted to, but wasn't going to coquette who is not a good deal of depreciate their value by lavishing a woman. them. The melting mood came on in the glow of the fire kindled by her fair hands.

Among those who listened to this one man's wants was a woman, a timid, tearful, humble mortal, who didn't dare say anything; but some way her thoughts turned to a tombstone she had seen in a city cemetery. It was a rather pretentious slab, and across the top was blazoned a man's name, and down below, as if shrinking away even in marble, a woman's Christian name with the further inscription : and a whole lot of lady-fingers an' SHAVING PARLOR "Wife of the above-mentioned." fruit cake," He wasn't dead at all (such men generally do survive), but he couldn't let her have even a tomb- that can befall a woman that I stone to herself, so he put her away | have not suffered!

woman. Fortunately, Nemesis in the form of a second wife overtook | sir ! that man, and let us hope it may in this other case, where so much is

Now it sometimes happens that startling self-assertion immediately And here are some of the signs after, and the man who started out nets. saying, "Ma'am," a month after the The boys have had to dig deeper ceremony. He gives up every for foxes this fall than at any time penny he earns, and gets his for six years, and above all the fox tobacco money doled out, carries

critter," and he knows in some way hour late on the home run, it is when cold weather is to be expected, pitiful to contemplate his mental agony as he cudgels his brain for Then attention was called to the excuses, and finally concocts a fairy

And he doesn't tell her—he just Higgins. "It's because every one hooks his heels in the rung of the fellow who talks of humility as a fetching feature in woman, lovely

At Half Mast.

Men on the wharf were looking through their long glasses at the vessel coming in. Two of them "It is the Jessie Roberts," they

A little boy who had been look. ing too, started on a run up the wharf. He never stopped running little house, low and weather-beaten, and banked with sea-weed, under the brow of the hill. "Mother! Mother"! he cried; "she's coming! she's coming,'! the Jessie's most in.

The young woman, making bread, threw a faded shawl over her head and shoulders. She wiped her hands on her apron, and started with the boy.

A litle crowd was already on the the common bond of daily bread won from the deep waters, and the dearer ties of husbands, lovers, brothers, and fathers on board. The last sign to be mentioned Two of the owners were there. was probably the most important | They saw their vessel back from said, superintendent Talbot of the and drawing. The sun of the clear winter morning shone on her clean some kind of a caterpillar and the water, an earnest of hundreds -perhaps thousands-of barrels of

"I hope they've got a good fare this time," said a careworn wo-

while those on the wharf watched word-no one made a cry or a white faced and shuddering, shrank back and drew together. Every eye was fixed on the vessel's main mast, where the stars and stripes flew at half mast. The topsail had instrumentalist, and have such exquisite hidden the flag until the vessel came about.

There they stood, waiting till the Jessie had been made fast. The woman from the house, pale and factory examination on any or all points specified. She will also be given opportunities to exhibit her skill in speedy, scientific cold-snap fire-building. Apply in person to with uncovered head. His blue with uncovered head. His blue eyes were wet with water that, though salt, was not of the sea. He tried to speak, but failed. The woman hid her face in her hands. The captain took the boy by the hand, and put his arm ahout the woman's waist and led them home. Performs all that is claimed for
