Clerk in Blackville as to the date of the late election for councillors has necessitated a special election. Tuesday next, November 7th, has been appointed as the day. The following are in nomination-Messrs. B. N. T. Underhill, David G. Schofield and Dennis P. Sullivan.

STREET OBSTRUCTIONS:--We hope th Street and Fire Commissioners will see that no more buildings are erected in Chatham which encreach upon the streets. The practice of placing front steps on the side walks should be promptly forbidden. The streets belong to the public-not to private individuals.

SUBSTANTIAL JUSTICE:-At St. Andrew's the other day John Conroy was found guilty of poisoning cattle owned by John Lamy and was sentenced to imprisonment for fourteen years in the Dorchester penitentiary. Th court directed Lamy to retain an amount he owed Conroy as compensation for the loss of his cattle.

SPORTSMEN who have been shooting in Tabusintac report wild geese very scarce and brant plentiful, but not easily decoyed. Certain resident gunners have stuck small spruce trees down into the bottom on the feeding grounds to form blinds, in which they place their canoes or gun-floats, and these objects have had the effect of frightening the birds away-thus materially damaging the bay as a resort for wild geese especially.

A WARNING TO CAR-LOADERS :- While two men named Embree and Teed were loading a car of bark at Wentworth station N. S. on Saturday morning, the car suddenly tipped over and rolled down the mountain, a distance of 80 feet, carrying both men with it. Embree sustained very serious injuries and Teed is badly hurt. The accident was caused by the men loading one side of the car first. and this, together with a strong wind that prevailed, caused the car to tip over.

A PULP MILL .- A gentleman from New Germany, N. S., told a Sun reporter on Saturday that a large pulp mill was being erected at that place on a site formerly oc. cupied by an old grist mill, thus utilizing a very valuable water power. The building will be lighted throughout by electricity, and will be equipped with the latest and best machinary. It will cost in the vicinity of \$20,000.

SMELT FISHING .-- A Campelleton despatch says: Extensive preparations are being made for smelt fishing. Already some fishermen are at work on the Quebec side, where the season opens earlier than in New Brunswick and where seining is allowable. J. Mowatt expects to ship four hundred thou. sand pounds this winter. It is said that some Miramichi fishermen are coming up here to fish this season. - [Gazette.

A RAID :- The World says: - "A raid was made on Mrs. James Conway's place this forenoon by the inspector and two policemen. The flatiron was not used this time to stop their entrance. There was a sound of glass breaking within as the officers went from door to door demanding admittance, and when they broke in they found three brandy casks but no whole bottles. The casks were taken away, and proved to be full of stinking water."

Eugene Field's First Love-Song.

It is a curious fact that although Eugene Field has written over five hundred poems he has never written a single love song. " don't know exactly why it is," said the Western poet recently in explanation. "ex cept that I was married when quite young. and I did not begin to write poetry until after my marriage." Mr. Field has now written his first love-poem, which he call

"Will You be My Sweetheart?" and has given it to The Ladies' Home Journal for
