A young woman who has been employed at the Riverside House, Washington street, missed her purse, containing \$15, Thursday night, and suspicion fell upon a middle-aged woman known as Mrs. White, who has been staying at the house a few days. The proprietor made Mrs. White shell out the contents of her pocket and found among other pieces of money, a silver half dollar bearing some initials by which it was identified by the young woman whose purse was missing as part of the stolen money. Mrs. White was taken to the police station by Policeman Mackie, where she confessed her guilt. She became hysterical at the station and was taken to the city house of correction for the

night. She belongs to Miramichi, N. B., and her son, whom she has not seen for years came from there on Thursday to visit her. The balance of the stolen money was left by Mrs. White at a place known to the police. - [Bangor News.

On last Monday, the 18th inst. His Grace Archbishop O'Brien, left Halifax; accompanied by the Rev. Dr. Murphy, by the I. C. R. to visit the Bishops of Chatham and St. John. Father Bannon, on account of the latter's recent illness, made him come first to Chatham, where he has been the guest of Bishop Rogers, and on Wednesday, he left by the accomodation train to pay his intend-

It was late on Monday evening when the Bishop of Chatham received His Grace's tion, the result of a heavy cold contracted telegram, intimating his coming: so that no adequate arrangements could be made to give the Archbishop a pubic demonstration of welcome such as that with which he is always received in Chatham. There was a cordial and respectful greeting by the Bishop and Priests, and some lay friends, who were briefly and informally invited by the Tuesday evening in the society of the learn. ed Archbishop and his companion, the Rev. [Advocate.] On Thursday evening last, Alfred Crosby, a prisoner confined in the County jail here, attempted to hang himself. About 10.30 on the evening mentioned, the prisoners all being locked up in their cells, some of them called out to Crosby, to which he made no reply, and from sounds heard from his cellthey concluded something was wrong and gave the alarm. Upon deputy sheriff Irvine entering the cell he found Crosby hanging from the grating over the door, by his braces and a handkerchief, and was well nigh choked when released from his uncomfortable position. The following letter, found in his cell addressed to the deputy sheriff gives his reasons for attempting suicide. The envelope was addressed to Wm Irvine, Esq., Newcastle, N. B., the letter and envelope being written with a pencil:-
