Miramichi Advance. Beginning with the issue of November 6th, 1892, when the ADVANCE entered upon its

Nineteenth Year of Publication! The publisher continued the change in the terms on which the paper is furnished to Subscribers. These include

1st. Strict adherence to the system of cash in advance for all subscriptions. 2nd. The reduction of the price of the paper to

One Dollar a Year! It is to be particularly understood that all outstanding subscription accounts due after November 10th, 1892, are to be settled on the old terms, viz, \$2 per year, the advertised circulation rate.

I have made the foregoing changes in the business of the ADVANCE for two reasons. The first is because many patrons who have been given credit, have abused the privilege to such an extent as to make the business of publishing the paper a non-paying one, and it is necessary, in my own interest and that of those who do pay, that I should no longer continue to furnish the ADVANCE to those non-paying subscribers.
