The resolution was put and the Council divided as follows: Yeas-Doyle, Morrison, Flanagan, Betts-4; Nays-Robertson, Anderson, Sullivan, Williston, Dickson, Mc-Rae, Hays, Murray, Ryan, Jones, Gunter, Pond, Russell, Mersereau, Tozer, Parks, Scofield, Perry, Chiasson, Robinson-20.

Ordered, on motion of Coun. Parks, that \$500 be assessed for the salary of the Scott Act inspector.

Coun. Doyle moved that no mileage be paid for attendance at the

July session. Coun. Ryan-That is poor spite! Coun. Scofield-He wants to be on the committee of three!

The motion was negatived. Coun. Morrison said there had been many complaints in reference to the small returns from the dog tax in Newcastle, and he moved that the Secy.-Treasurer be authorized to publish in the local papers
a list of all persons who were
credited with having paid the dogtax. Carried.

Coun. Jones moved that the jail committee be authorized to erect a barn on the jail grounds at a cost

of not more than \$150. Carried. Coun. Murray, from the committee on petitions, reported recommending that the petitions of John from the assessors. Passed.

Coun. Murray read the report of the Board of Health, which was received.

Coun Morrison presented a list of Newcastle parish officers, which passed.

Coun. Murray presented a list of parish officers for Chatham, on which he and his colleague had Secy. Treas. estimated. Adopted. Coun. Murray. could not agree on the third member of the police committee. He moved that the name of S. U. McCulley be inserted.

Coun. Flanagan moved in amendment that D. G. Smith be the third member. It was no place for body and passed. Carried. the police magistrate on the committee. It gave him more power than he had a right to have. The magistrate had served Mr. Murray instead of the parish. A policeman couldn't be got to attend to any public duty, even the collection of attendance on the Murray, Menzies and McCulley family compact for the doing of county work. No other police magistrate in the province was on a police committee.

Coun. Murray asked the Sec. Treas. if it would be a proper appointment.

Beginning with the issue of November 6th, 1892, when the ADVANCE entered upon its

Nineteenth Year of Publication!

The publisher continued the change in the terms on which the paper is furnished to Subscribers. These include

1st. Strict adherence to the system of cash in advance for all subscriptions.

2nd. The reduction of the price of the paper to

One Dollar a Year!

It is to be particularly understood that all outstanding subscription | The Normandie. accounts due after November 10th, 1892, are to be settled on the old terms, viz., \$2 per year, the advertised credit rate.

I have made the foregoing changes in the business of the ADVANCE

The first is because many patrons who have been given credit, have abused the privilege to such an extent as to make the business of publishing the paper a non-paying one, and it is necessary, in my own interest and that of those who do pay, that I should no longer continue to furnish the AD JANCE to those non-paying subscribers.

The second reason is, that I wish to meet the competition of the city weeklies, which are made up from the type of the dailies and, therefore, cost little for production in comparison with a local paper like the ADVANCE, the type of which must be set up especially for it.

Having now published the ADVANCE for nearly 19 years, and endeavored to make it a creditable representative of Miramichi and North Shore enterprise-a paper which may be taken into any household without fear that it has catered to sensationalism at the sacrifice of that cleanliness of matter, which is too often neglected by the press of the day-I have reason to hope the foregoing announcement will meet with general approval and be the means of largely increasing the circulation and influence of the paper.
