FARMING IN FOREIGN LANDS. A correspondent of the Farmers' Gazet-

ite, Dublin, writes recommending Jerusalem artichokes (Helianthus tuberosus) for mak-Russian Turkestan is suffering from a scarcity of food, caused, in part, by the ravages of locusts in certain districts, the unfavorable season last year, and still more by the "cotton fever" which

led farmers to neglect other crops for The Japan dwarf peach is very highly commended by the Queenslander as little but good. The tree grows to a height of only three feet, but the fruits set so thicklly that unless thinned they crowd one another, and the flavor is declared to be 'simp-

ly luscious." Among the varieties of English sheep, which have been taken to New Zealand for crossing with Merinos, one of the favorite breeds is the Romney Marsh, of Kentish The object of the cross is to obtain a carcass suitable for the frozen mutton trade without sacrificing the fleece.

New Zealand fruit growers are using cyanid of potassium as an insecticide. It is dissolved in water, at the rate of one ounce of cyanid to twenty gallons of water, and the solution is sprayed in the usual manner. It is found quite effective without injuring the most delicate foliage. It is a very dangerous poison.

SHORT SCISSORINGS.

The British mercantile navy has cost in building £133,670,000. The head of the rattlesnake has been known to inflict a fatal wound after being severed from the body.

Of 15,000 persons one arrives at the age of 100 years, of 500 one attains the age 90, and one in 100 lives to the age of 60. A box of earth has been sent from the grave of Gen. Lafayette to the Daughters' of the American Republic at San Francisco, in which to plant a tree of liberty. The diamond is not among the earliest gems known to man. It has not been found in the ruins of Nineveh, in the Etruscan sepulchers nor in the tombs of

An old stage coach, that had been held up and robbed eighty-three times, now lies dismantled in the yard of a livery stable in Phoenix, A.T. Twenty years ago it began running between Prescott and Tombstone.

The first lighthouse in America was built at the entrance to Boston harbor in 1715-16, at a cost of about \$11,500. Erected by the order of the general court of the province of Massachusetts bay, it was supported by light dues of one penny per ton on all vessels except coasters. FROM MANY LANDS.

The mortar and pestle still in use in most parts of Asia and all over Africa is the prototype of the modern flour mill. The finest tomb in Great Britain is undoubtedly that of the Duke of Hamilton on the grounds of Hamilton palace. It cost

£180,000 pounds. In the olden days pigs were considered a great delicacy in Rome, and those for the magnates were fattened on honey, figs and

In the days of William the Conqueror it was more dangerous to kill a rabbit than a man. A murderer could escape with payment of a fine, a rabbit slayer was put to death.

A wonderful nugget of tin has been discovered in the mines of North Dundas, Tasmania. It is estimated to weigh 5,400 pounds. The assay of a small piece shows that the large mass of ore contains 67 per

ON THE ROLLING WAVE.

Daniel Schwenton in 1636 described the diving bell, made a dress for divers and invented a model of a centrifugal pump. Norway ranks second to England in the number of her sailing vessels of fifty tons and over. The United States is third. Jonathan Hulls in 1736 made a small steamboat. It failed to work, but had all the germs of Fulton's later invention. A whaling expedition is to be dispatched from Australia to the Antarctic ocean shortly to test the practicability of estab-lishing a whale-fishing industry in south-

The Engineering and Mining Journal says that lake shipbuilding has shared in the depression which has affected all other business, and on January 1 there were reported under construction in the lake yards only twenty-eight vessels of an aggregate tonnage of 26,100 tons, against forty-nine ships of 68,470 tons a year ago. FASHIONS IN JEWELRY.

The new silver toast racks indicate that

Mustard pots of red glass set in perforated silver with a silver cover are new. There seems to be an increase in the use of different tinted gold for working out

Intaglios of sard set in gold are used as double link sleeve buttons by people of artistic and quiet tastes. New tiaras are built like crowns. The centers are at least four inches high. Talk

about American queens! A crescent brooch, fully four inches long from end to end, is of graduated smoky topazes set with small bril-

An ornament is a bursting sun of diamonds around a cat's-eye, two inches in tural. diameter. In and out of the tips of the sun rays is a green enameled snake. GATHERED IN ENGLAND

Liverpool has just extended its boundar-les, taking in several suburban districts, and is now the second largest city in the

British empire. The waiters employed in the House of Commons have been forced to rise and oppose a labor member, Mr. Cremer, in his endeavor to abolish the tip system in the

An Edinburgh life insurance man says that the largest mortality rate in indoor occupations is found among liquor sellers.

Among 1,000 sellers he found the average mortality to be 29.2.

An Edinburgh life insurance man says ences than light. Some will close their leaves on being carried in a cart. The jolting seems to disturb their equanimity, though after a time they become apparently unconscious of and insensible to it.

Forty-two dollars and fifty cents a pound was the price recently paid at auction in London for a small consignment of tea from the Mount Vernon estate, Ceylon.
The tea was pronounced to be absolutely
the finest ever grown.

ABOUT WOMEN.

Miss Mary Happy was married recently to James Lucky, in Halifax, N.S. Viscountess Aoki, the wife of the newly appointed Japanese minister to England is a German woman of noble birth. Abbazia, where the German empress is now with her six little princes and only princess, lies at the north end of the Adriatic sea, on the gulf of Fiume. INVENTIVE GENIUS.

An illuminated keyhole has been invent-ed for the benefit of people who stay out late at night and sometimes try to open the door with a corkscrew.

The Consolidated Gas company of New York is about to begin furnishing gas in tenement-houses through meters which furnish twenty-five cents' worth of gas when a silver quarter is put in the slot.

One hundred domestic servants are killed annually in England in the process of window cleaning. An invention recently patented is a window of which the outside may be cleaned without exposing the cleaner to any chance of a tumble.

A St. Petersburg editor has hit mentals.

A St. Petersburg editor has hit upon the notion of printing his journal on paper suitable for making cigarettes. It is said that its circulation has been largely increased by this means, as the Russians are largely given to smoking cigarettes which they make themselves they make themselves.

A "damp-detector" is the latest inven-tion to make miserable the traveler's life. It is a silver trinket, not unlike a compass in appearance. At the back are small holes in the silver, through which the damp passes and moves the needle until it points to the word "damp." By the aid of this unaired sheets can be de-

BRUSH AND PALATTE.

Harry Furniss, the celebrated cartoop-

ist, has left the staff of Punch. He start a publication of his own. Sir Joshua Reynolds was often by being requested to paint the annoyed of ugly women of quality. The portraits I paint them as they are the said: "If the best grade of beef and the highest if I don't paint them . . . . . . . . . . market rates are expected.

The in declining remarked that he was rough two hundred thousand marks a country claims 8,896,000 sheep.

The Philadelphia academy of fine arts has concluded negotiations for the purchase of the "Portrait of Mr. Gladstone at Downing street," by John McLure Hamilton, one of the features of the recent sixty-third annual exhibition. This is a duplicate of the picture recently purchased by the Luxembourg, the highest honor which can be paid to any living artist.

FOREIGN WAYS AND CUSTOMS.

A Japanese host or hostess never intrusts the making of tea to the servants on company occasions. Either he or she prepares the decoction in the presence of the guests. The Spaniard, however courteous he may be, never invites a guest to dinner. In Italy, too, the privacy of the family is seldem invaded at the dinner hour. The

members eat in silence. The Siamese believe that the human soul requires seven days to journey from earth to heaven; hence, the prayers of the friends of the deceased person are continued for seven days after the individual

A quaint custom, which has been practiced for centuries, still prevails in Holborn, England. The time of night is hourly shouted by the watchman, somewhat in this style: "Past one o'clock, and a cold, wet morning.

Names for babies are thus chosen in Egypt: The parents of the child select three candles, and to each candle the name of some dignified personage is given. The three are lighted, and the candle that burns the longest denotes the favored name.

AMONG THE BOOKS.

Folios and quartos were the favorite sizes of books for 200 years. It is said that over 200,000 books have been written about the Bible. The German book collectors give the

titles of 6,000 books about Goethe. "Pilgrims' Progress" has been translated into 203 languages and dialects. The "Poor Man's Bible" was so-called from the fact that it was a cheap edition. More copies of the Bible than of any other book have been sent out by the

THE GREAT SQUTH AMERICAN

AND

Stomach Liver Cure The Most Astonishing Medical Discovery of the Last One Hundred Years.

It is Pleasant to the Taste as the Sweetest Nectar. It is Safe and Harmless as the Purest Milk. This wonderful Nervine Tonic has only recently been introduced into this country by the proprietors and manufacturers of the Great South American Nervine Tonic, and yet its great value as a curative agent has long been known by a few of the most learned physicians, who have not brought its merits and value to the knowledge of the

general public. This medicine has completely solved the problem of the cure of indigestion, dyspepsia, and diseases of the general nervous system. It is also of the greatest value in the cure of all forms of failing health from whatever cause. It performs this by the great nervine tonic qualities which it possesses, and by its great curative powers upon the digestive organs, the stomach, the liver and the bowels. No remedy compares with this wonderfully valuable Nervine Tonic as a builder and strengthener of the life forces of the human body, and as a great renewer of a broken-down constitution. It is also of more real permanent value in the treatment and cure of diseases of the lungs than any consumption remedy ever used on this continent. It is a marvelous cure for nervousness of females of all ages. Ladies who are approaching the critical period known as change in life, should not fail to use this great Nervine Tonic, almost constantly, for the space of two or three years. It will carry them safely over the danger. This great strengthener and curative is of inestimable value to the aged and infirm, because its great energizing properties will give them a new hold on life. It will add ten or fifteen years to the lives of many of those who will use a half dozen

bottles of the remedy each year. IT IS A GREAT REMEDY FOR THE CURE OF

Nervousness. Nervous Prostration, Nervous Headache, Sick Headache. Female Weakness. Nervous Chills. Paralysis, Nervous Paroxysms and Nervous Choking. Hot Flashes, Palpitation of the Heart,

Mental Despondency,

Nervousness of Females,

Nervousness of Old Age.

Sleeplessness.

Nervine Tonic. NERVOUS DISEASES. As a cure for every class of Nervous Diseases, no remedy has been able to compare with the Nervine Tonic, which is very pleasant and harmless in all its effects upon the youngest child or the oldest and most delicate individual. Nine-tenths of all the ailments to which the human family is heir are dependent on nervous exhaustion and impaired digestion. When there is an insufficient supply of nerve food in the blood, a general state of debility of the brain, spinal marrow, and nerves is the result. Starved nerves, like starved muscles, become strong when the right kind of food is supplied; and a thousand weaknesses and ailments disappear as the nerves recover. As the nervous system must supply all the power by which the vital forces of the body are carried on, it is the first to suffer for want of perfect nutrition. Ordinary food does not contain a sufficient quantity of the kind of nutriment necessary to repair the wear our present mode of living and labor imposes upon the nerves.

For this reason it becomes necessary that a nerve food be supplied. This South American Nervine has been found by analysis to contain the essential elements out of which nerve tissue is formed. This accounts for its universal adaptability to the cure of all forms of nervous de-To the Great South American Medicine Co.:

DEAR GENTS:—I desire to say to you that I

three years from Newyousness Wankness of the have suffered for many years with a very serious disease of the stomach and nerves. I tried every Stomach, Dyspepsia, and Indigestion, until my medicine I could hear of, but nothing done me any appreciable good until I was advised to try your Great South American Nervine Tonic and Stomach and Liver Cure, and since using several bottles of it I must say that I am surgood than any \$50 worth of doctoring I ever prised at its wonderful powers to cure the stom- did in my life. I would advise many weakly per-

ach and general nervous system. If everyone son to use this valuable knew the value of this remedy as I do you would few bottles of it has c not be able to supply the demand.

J. A. HARDEE, Ex-Treas. Montgomery Co. consider it the grander A SWORN CURE FOR ST. VITAS' DANCE OR CHOREA.

CRAWFORDSVILLE, IND., June 22, 1887. My daughter, eleven years old, was severely a dicted with St. Vitus' Dance or Chorea. We gave her three and one-half bottles of South American Nervine and she is completely restored. I believe it will cure every case of St. Vitus' Dance. I have kept it in my family for two years, and am sure it is the greatest remedy in the world for Indigestion and Dyspepsia, and for all forms of Nervous Disorders and Failing Health, from whatever cause. State of Indiana, Montgomery County, \} 88:

Subscribed and sworn to before me this June 22, 1887. CHAS. W. WRIGHT, Notary Publica

INDIGESTION AND DYSPEPSIA. The Great South American Nervine Tonic Which we now offer you, is the only absolutely unfailing remedy ever discovered for the cure of Indigestion, Dyspepsia, and the vast train of symptoms and horrors which are the result of disease and debility of the human stomach. No person can afford to pass by this jewel of incal-culable value who is affected by disease of the stomach, because the experience and testimony of many go to prove that this is the one and

only one great cure in the world for this universal destroyer. There is no case of unmalignant disease of the stomach which can resist the wonderful curative powers of the South American Nervine Tonic. HARRIET E. HALL, of Waynetown, Ind., says: | MRS. ELLA A. BRATTON, of New Ross, Indiana, "I owe my life to the Great South American
Nervine. I had been in bed for five months from
the effects of an exhausted stomach. Indigestion.

Nervine Tonic. My system was completely shat-Nervine. I had been in bed for five months from the effects of an exhausted stomach, Indigestion, Nervous Prostration, and a general shattered condition of my whole system. Had given up all hopes of getting well. Had tried three doctors, with no relief. The first bottle of the Nervine Tonic. My system was completely shattered, appetite gone, was coughing and spitting up blood; am sure I was in the first stages of consumption, an inheritance handed down through several generations. I began taking ine Tonic improved me so much that I was able to walk about, and a few bottles cured me entirely. I believe it is the best medicine in the world. I can not recommend it too highly."

through several generations. I began taking the Nervine Tonic, and continued its use for about six months, and am entirely cured. It is the grandest remedy for nerves, stomach and lungs I have ever seen."

No remedy compares with South American Nervine as a cure for the Nerves. No remedy compares with South American Nervine as a wondrous cure for the Stomach. No remedy will at all compare with South American Nervine as a cure for all forms of failing health. It never fails to cure Indigestion and Dyspepsia. It never fails to cure Chorea or St. Vitus' Dance. Its powers to build up the whole system are wonderful in the extreme. It cures the old, the young, and the middle aged. It is a great friend to the aged and infirm. Do not neglect to use this precious boon; if you do, you may neglect the only remedy which will restore you to health. South American Nervine is perfectly safe, and very pleasant to the taste. Delicate ladies, do not fail to use this great cure, because it will put the bloom of freshness and beauty upon your lips and in your cheeks, and quickly drive away your disabilities and weaknesses. and quickly drive away your disabilities and weaknesses. Large 16 ounce Bottle, \$1.00. EVERY BOTTLE WARRANTED.
