Ernest Hutchison, Jno. Fotheringham, Chatham, William Lawler, Romain Savoy, Alnwicke. This number was supple nented by the arrival of two others after dinner. ELECTION OF WARDEN.

This was, of course, the first regular business disposed of; and it caused a general discussion concerning the interpretation of the iaw, many expressing doubts as to whether a re-election was necessary, while others held a Warden must be immediately elected. Sec-Treas. Thomson, however, read from the law to show that the Warden, if he continued to be returned as Councillor held the office of Warden until his successor was appointed.

Warden Hutchison having expressed a wish to be relieved from re-election, Coun. Park was nominated for the office by Coun. Lawler, seconded by Coun. Archibald and unanimously elected.

On the new Warden taking his seat he expressed regret for the retirement of the late Warden from the office and said he sted he would be able to discharge the aties of the position in a manner satisfactory to himself and the Council.

A vote of thanks to ex-Warden Hutchison for the able way in which his duties had been performed was tendered to that gentleman and responded to briefly by him.

TAVERN LICENCES, ETC.

The minutes of last regular meeting were next read and approved, after which the bject of tavern licenses was taken up. The Warden thought it was desirable that regular times should be set aside for despatch of this business or that a committee should be appointed to receive applications. Coun. Coun. Crocker asked if there was any way to get land back, and if it had been viven conditionally. Sec-Treasurer Thompson said the land

was given for the purpose of erecting drill shed thereon but deed was not conditional though land could not be otherwise used by Government.

Coun. Crocker thought nothing could be lone if deed had not been conditional Coun. Archibald was inclined to let the matter rest as it was.

Coun. Hutchison thought, from the tenor of correspondence, the Government was inclined to allow land to revert to the County if no Drill Shed was built and

moved the following resolution :-MUNICIPAL COUNCIL ROOM,
