GOING TO THE BAD.

BY EDMUND YATES.

What Mr. Hiram P. Adams had look ed forward to as a lunch, but what was tible just before going to bed; then I in reality an excellent, substantial din- have an awful time of it, and fellows ner, appearing extra enjoyable to the travellers, after the light and fanciful repast to which they had recently been accustomed, was discussed, and the American family, wearied out with the travel and fatigues of the day, sought

After they had retired, the two young men, who had remained in constant attendance upon them, proceeded to the smoking-room, which they fortunately antly; "the less one thinks about such found empty.

Ordering each a steaming glass of whisky toddy, they lit their cigars, and the taller and younger man dragging up a huge arm-chair in front of the fire. threw himself into it, and plunging his hands in his pockets stretched himself out at full length and with his eyes fixed upon the fire, began smoking steadi-

The doctor walked up to the window, and pulling aside one of the heavy curtains looked out across the harbor.

"The rain has cleared off," he said, "but there seems to be a devil of a wind blowing; the clouds are scudding along at a rapid rate and the whitecrested waves look angry enough in the

"I wish they would run in and swamp this whole infernal place," said his companion, expelling a mouthful of smoke and holding his hand before his face to shield it from the blaze.

"Why, what's the matter with you Fred, to-night?" said the doctor, turning round and looking at his friend. "Ever since we landed you have been cross and down in the mouth, not to be recognized as the same man who was you know, and will lump it in altogeththe life and soul of Homburg only a

"Matter with me!" cried the man addressed savagely. "It's enough to take the pluck out of the best man to bring me back to such an infernal country as this, more especially under the circumstances in which I am placed.

"Dear me, is it indeed?" said the doctor, sarcastically. "Seemed to b devilish pleasant circumstances, and such as I should not at all object to suf

been thinking of something. "Now, "Of course you would not," said his companion, fiercely, "of course you would not, Dick Phillimore, because three weeks' acquaintance with them. you are as hard and as plain and as comwhile you have been philandering and mon as dirt, because you never knew what delicacy was-refinement was, and so long as you can get plenty to eat, and the old one, partly in the cause of frienddrink, and smoke, all of the best, so ship, but partly, I blush to say, from a long as you can have a good bed to lie on, and good clothes to wear, you don't care what any one says or thinks about

The doctor had frowned at the beginning of this sentence, but before it was concluded, he burst into a jolly laugh, and said :

"You are quite right about that Fred; I'll be hanged if I do!"

"Now, I am different," said Sir Frederick. "I was happy and in good spirits as you say at Homburg, but why? Because there one could live with a pleasant, jolly set of fellows-Frenchmen, Americans, Russians, what notwhere one's rank was respected, and where they knew and cared nothing for one's antecedents. Here, in this ac cursed place, you are-I am always on the lookout for some one to recognize me as Russell, his fellow jail-bird, the Westchester County prison. Besides, it's a most horrible nuisance to a man of my position, to have to live from hand to mouth, not knowing what may turn up next day, and entirely dependent for his livelihood on horse-rac-

they are, because I have seen them. ing and cards." When the old girl was asleep in that "Yes," said the doctor, shaking his head, as he looked at the fire, "it's very took the liberty of lifting her gold key much to be regretted that your respectfrom her watch chain, and opening the ed uncle, Sir Crampton, did not leave bag with it. Then I saw them all in you his money as well as his title. He their white satin-lined cases; heavens, could not prevent your becoming a barglorious sight!" onet, but he determined, so far as lay in his power, you should be a devilish poor one, so he left all his estates to your cousin, the parson. I wonder this: When we arrive at Charing whether the old boy could ever have Cross to-morrow morning, we see these heard of any of the little games which you used to carry on in your early days, off with them to the Langham; I remain my sweet youth. If so, there is no to take care of the luggage, and an hour wonder at his being somewhat shocked. and a half afterwards I arrive at the

"I have thought of that myself," said Sir Frederick Randall, reflectively. Mrs. Adams' little bag. I am white as "If my uncle had heard anything against | death-I am very good at making up me, he could only have learnt it from my face-I can scarcely articulate-I two persons—one of them would be you remember quite enough of anatomy to -and I don't think you would be likely | simulate rigor of the tongue, and tremble

"You may safely assume that, dear | bag! Is it here?' 'No.' Great heavens! boy," said the doctor pleasantly, patting I will devote my life to searching for his friend on the shoulder. "If I had it! And I go off. Letters are received betrayed you it would have been on from me from Boulogne, St. Petersburg, you, how would that bring you any condition of receiving a large sum of Pesth, Bucharest, Indianapolis, and money, and from the condition of Baggleboro, Pa., but I never come back. your dear Richard, you can easily Meantime I take the diamonds to our argue that he has not yet, at all old friend Schaub, at Amsterdam; they events, touched the ingots, and is at are broken up in the usual way, and present dependent for his support upon | you and I have rather a fine time upon you, and upon the general youthful ig- the proceeds." norance of the games of ecarte and billiards."

"There was only one other man Dick; but never, even out of your idiotwhom I entrusted with my real name, ic brain, did a proposition spring so prewhen I was in that horrible prison, and posterous as that which you have just that was King-Walter King-he must | broached. You have done as many bad have told my uncle!"

things as I have, committed as many "I think not," said Dick Phillimore, crimes, and worse crimes, I have no placidly. "King is not a friend of doubt, if all were known-but you have tossed it lightly in the air. "What mine; in fact, I hated him from the bot- | never suffered for them as I have. You tom of my heart, and I am bound to say have never been found out-or, at least that he has a very manly and genial con- only half found out-you have never tempt of me, partly founded on my ig- | been sent to jail-how my flesh creeps norance of my profession, partly on ac- at the mere mention of the word! I count of my fondness for this very se- | see the long stone corridors, the cold, ductive tipple whisky toddy, and my slippery staircases, like serpents windgeneral dissipation. But still, he is a ing themselves up to the roof, the blank gentleman every inch of him, and the white-washed walls! I hear the dull, last man on earth to go back on his measured tramp of the warder's feet, into the place which is lawfully hers, word, when he has once given it! Speak- the rattle of the bolt as it shoots in the ing of King brings all the incidents of lock, the solemn clanging of the chapel that extraordinary night forcibly to my bell rousing one perhaps from the mind," continued the doctor, leaning dreamland of hope to the gloomy horback, and puffing at his cigar. "Let rors of conscience, to the knowledge me see-it is just three years ago. that another day of misery has begun!

"Stop, for heaven's sake!" cried the the soul, that conviction that I am baronet, passionately. "What plea- worldly dead to all outward influences sure can you have in torturing me by of happiness and joy! that haunting me as will be the future, the day of my beaming on the fields, the brilliant lines amongdeath when it really arrives. You never of gaslight, with the busy population

"Never," said the doctor, blowing merry faces. Good God! the mere re-

his smoke into the air, and looking up collection of all this is enough to drive to the ceiling. "I may say never, unme mad!" less indeed, I have been silly enough to He shuddered as he spoke, and covereat Welsh rabbit, or anything indiges-

the insane scheme which you propose. name, we should have been stuck down "We will, dear boy, we will, by all there in pawn, and heaven knows how means," said Dick Phillimore, taking a long we should have remained there, long pull, which emptied his tumbler, for there is no money to be raised in and ringing the bell; "but how?" "How much of Barre's advance re-

"It shall be duly provided for us by those from whom you intended to ob tain it by force," said the baronet "When the waiter has attended to your summons. I will give you the details." The waiter answered the bell, and soon re-appeared, bearing two huge jorums of the steaming mixture. friends up stairs-to save them trouble, When he had taken his departure, Sir

Frederick turned to his friend and said "Did you do what I told you in reference to pumping this Yankee as to his and-twenty pounds doesn't go far in "Sucked him as dry as the oil well out of which he got his money, and afterwards sold to his brother-in-law, dear boy," said Dick Phillimore, with but which have no qualities in common with the earth is to be done? Can you not think an engaging smile. "For it was out of Pain-Killer. oil he got it. Ten years ago our friend,

onet, in a despairing voice. "What on Hiram P., was in a small way, and kept "Well, dear boy," said the doctor, -a dry goods store, as he calls itsomething equivalent to our linen dra-"it does not do for us to beat about the per's shop, I suppose-in Titusville, Pennsylvania. He was doing sufficiently badly, when a friend of his, Colonel Drake, of Connecticut, arrived at Titusother, and to tell you the truth, I have ville and commenced to bore for oil. He took Hiram P. into his confidence, with regard to our dear friends up stairs, and they worked away together, but you may have observed that, during our they had a mighty hard time of it. Had to send fifty miles every time their tools wanted repair; but they persevered and at length they struck 'ile.' It was a splensaying sweet nothings to the young lady, I have been paying great attention to did vein, and in a little while they were pumping out of it at the rate of from thirty-five to forty barrels per day. Hıram P. had a share in this, and he had fortunately previously secured a bit of land in the neighborhood, which he 'prospected' on his own account, and THE SUBSCRIBER has just received one which turned out almost equally good. sacrifice," said the doctor: "but no He did not launch out, did Hiram P. matter. Whatthen? Why, in the course but went on living in his usual quiet, of my intimacy with the old lady, I modest way, amassing bit by bit, until have discovered that, like most uneduhe had accumulated something like two hundred thousand dollars that is to say, cated women who have been enriched at between forty and fifty thousand pounds. a late period of their lives, her sole hap-Then, like a sensible man, he thought piness in having money is to spend it in

he had had enough of lubrication, sold the most lavish and preposterous manhis lot and plant to his brother-in-law, who blew his own head off in despair a year afterwards, and came quietly down "She need not go far to find two fitto New York. There was a swindle on ting objects for her bounty," said there at that time, as there usually is, a 'corner' as they call it, and Hiram P. "No," said the doctor; "but that is having a shrewd head of his own, and good advice from his friends, went down not at all in her line. She likes to into Wall street, and operated successspend it on herself, and she does it. In fully. In the course of three months Paris and in Rome, in Vienna and in he had nearly doubled his capital, and Frankfort, in fact wherever she has been, then he withdrew, meaning to buy what she has been purchasing rings, bracelets, he calls, 'an elegant house up town,' and take his daughter, to whom he has necklaces, and jewels of all kinds, to given an excellent education, into sodear diamonds; and they are all in that ciety. But Mrs. A., who, as you may

mined on coming to Europe, and it was during this tour we had the good forune to meet them. "No, dear Frederick, but I know "You may well say good fortune," said Sir Frederick, puffing at his cigar. "A hundred thousand pounds isn't a bad sum to play with, Master Dick."
"No, indeed," said Dick Phillimore. journey between Geneva and Paris, I

"Safer," said Dick, with a wink; "for such fellows as you and I, who have a fatal habit of not finding the interest sufficient, and digging into the "Then what does all this lead to, capital."

"Exactly," said Sir Frederick "Now, I intend to have the interest of that money at my disposal. "Noblest of men," cried Dick, with an appreciative nod; "but how do you

intend to get it?" "You addle-pated old fool, I have been arranging for it for the last six weeks, and it is just ready to drop into my mouth.

"The deuce it is," cried Dick in astonishment. "How so?" "Why, while you were dancing round mother, and worrying your old brain, in endeavoring to see how you could rob her of her diamonds, I was planning to get hold of a more valuable jewel than any of them, her daughter." "Ay-ay," said Dick. "I knew you were making great running with the young lady; but even supposing you managed to persuade her to run off with

nearer the money?" "Run off with me!" cried Sir Freder- DRUGS. ick, scornfully. "I intend to marry "To marry her?"

"To marry her with her parents' consent. What do you think of that for a "Well, it sounds well enough," said Dick Phillimore, rubbing his fat chin thoughtfully; "but," he added, after a pause, looking up at his companion with a queer glance, "but what about Kitty?" Sir Frederick's pale face flushed a deep-bronzed red, and as he knit his brows heavily, his forehead became in-

dented with parallel crimson bars. He was silent for a few minutes, then withdrawing his right hand from his pocket, about Kitty?" he repeated. "Well, Kitty has been too well trained, and she has my welfare too thoroughly at heart to dream of standing between me and its accomplishment.

"You think so, do you, Fred?" said Dick Phillimore, doubtfully. "Kitty is devoted to you, body and soul, I know that; but she is a woman, recollect, after all, and I don't think she would stand another woman slipping and which she has occupied so long."
"Oh! don't you?" said his friend. "Well, I do. Time will show; but if

she does not with a good grace, she must be made to, that's all. He set his teeth savagely as he said this, and looked so fierce and determined that Dick Phillimore thought it best to change the subject.

I feel again that desperate sinking of "Well, we shall see," he said, throw- hair resume their original color. Its operation is ing the stump of his cigar into the fire; sure and harmless. It cures dandruff, 'heals all "there is plenty of time to decide about | humors, and keeps the scalp cool, clean and softthat, and the plan is a good one as it | under which conditions, diseases of the scalp are recalling that scene of my misery. WILSON, GILMOUR & CO., HOUSE FINISHING, 133 Prince William St., Fire! Fire!! HALL'S SAFES ALWAYS VICTOTIOUS-A HALL'S SAFE RED HOT FOR FORTY HOURS AND CONTENTS UNIN-JURED -- BOOKS, MONEY AND PAPERS SAVED.

Office of Davis & Haden, Wh'sale Liquor Dealers TURNING. &c. No. 9 Main-st., bet. First and Second, Having a Moulding Machine I am prepared to Louisville, Ky., Oct. 19, 1876. Messrs. Halls Safe and Lock Co., Louisville, Ky. Gentlemen, - The large number 13 Double Door Fire Proof Safe purchased from you in March, 1872, was in the disastrous fire, corner Eighth and Main streets, on the night of the 16th inst., when over a half million dollars of property was burned, and stood nobly one of the most severe tests possible falling into the cellar with the walls of the build ing, and several hundred barrels of whiskey stored in the upper stories poured their contents into the celler, keeping the safe literally boiling in burning whiskey for over forty hours. The bricks and stone were burned into ashes and lime, and it was the hottest fire ever known in Louisville. The safe was buried several feet under the bricks and ashes for two days, and after being dug out of the ruins

was opened, and we are proud to say the books and papers were found uninjured, not even discolored or scorched. Several gold watches and some valuable jewellery were found untarnished We wish you to deliver, to-day, a duplicate of the vill send you a check for the money. We want no
