conscience, because you have given him a fair chance to keep you awake, and he

bell, of Tracadie charged by Joseph Hache, mail-driver between Chatham and Tracadie with assault with intent to do grievous bodily harm, was continued on Saturday last before G. A. Blair, Esq. Police Magistrate, Mr. Tweedie again been a failure, and any hints in this direcappearing for the accused. The proceedtion will probably some day be the means ings were as follows :-

mouche know the mail-driver, Joseph It is a common practice to add sawdust Hache; know Neil Campbell also; was to the oats given to the towing horses on passenger on the mail stage on Saturday the river Sarre, between Treres and Saar-14th July. Campbell was a passenger on that day and was in the wagon at Mrs. bruck, and a Mr. Reich in the South of France states he is in the habit of giving when I first saw him. When I got into Stothart's on the other side of the river sawdust to his milch cows, they showing the wagon Campbell took the mail no falling off in their yield of milk and bag out of the wagon and tied it on the A LOT of COTTONS, CHEAP! their condition undergoing no change. trunks behind; then Hache ordered him . The sawdust is intended to replace the ration of straw. The question is naturally right a ter a while. We drove on, say raised are the horses supported exclusively or 5 miles, and I said to Hache "If I knew this was the passage I was going to have, I'd be in Newcastle yet." Hache by the oats, and does the sawdust act as so much ballast, for distending the stomach to as to allow the numerous ducts or driving on. I said I would, and Campbell mouths on the coats to absorb the digessaid I should not. At this Hache jumped ted juices, for quantity is as essential as out of the wagon and took the horse by the head and told Campbell to get out of the quality in rations. Life could not be suswagon, and Campbell said he would not for all the men around there. Campbell then took a revolver out of his pocket But one of the latest discoveries in cheand fired it upwards and Hache turned mistry has been achieved by a German tance several times. I saw Campbell first class brandy out of saw-dust. If the striking Hache two or three times. There discovery proves a success, we presume we were two other men came and got talking shall no longer be troubled with comto Campbell and I got in the wagon and plaints against mill-owners for throwing

drove away (I had got out of the wagon when Campbell fired the revolver.) sawdust in the river, for, when it becomes Campbell was talking to the two men a source of revenue, the obstacles at prewhen we drove away. sent in the way of preventing its falling into the river will no doubt be removed, for mill-owners, as well as other people, are eager to secure the "mighty dollar." When a man can take a buck saw and go and get drunk with a fence rail, make brandy cocktails out of the shingles on his | bell did not touch the mail bags, only the time he tied them on the trunks beroof, or get "delerium tremens" by drinking the legs of his kitchen chairs, we on you that day. expect to see a general closing of bars rooms, but even the "Grand Division" must wagon after Campbell got out. Do you think there would have been be a failure if men can become uproarions any trouble if Hache had driven along on boiled sawdust or desiccated window

much trouble. OCCUPATION. - There is no occasion for mortification as to our employment, let it be only respectable. The man who guides the plough may be a Cincinnatus or a plain much about him, did he? "clodhopper," just which he pleases. The true thing to do is to dignify our calling. There is no discredit in handling the vard-stick, but don't let it be the measure of your soul! Some sort of employment is

absolutely necessary to every one, and no Campbell. I saw Campbell reach over thoroughly occupied man was ever yet THE COLOSSAL BRONZE STATUE OF VICrony which stands in the Park, at Lowell, before the tomb of the first soldiers that fell in the revolution, is a lasting and beautiful tribute of art. It is one of the first objects sought by strangers visiting mail at Loggie's. Campbell did not try our sister city, which indeed many visit to shoot Hache and did not throw the purposely to see this elegant object of high art. It was obtained from the King of went to turn the horse. The annoy-Bavaria, by Dr. J. C. Ayer, to whom his ance I experienced was that of sitting bemajesty was especially gracious in acknow. | side a man that was drunk.

By the Magistrate have you would be in Newcastle yet.'

beil's behaviour?

-they drew up and signed a memorial to To the Magistrate:-Campbell was the bishop setting forth the admirable angry and violent when he struck Hache; did not see Hache make any blow at Campcharacter of the curate, lamenting that his | bell. Hache had hold of the horse's head eminent worth should not be rewarded, when Campbell fired the pistol. It was what I said about the passage that caused and earnestly recommending him for pre-Hache to get out and turn the horse. ferment. Soon after, this very living I was afraid only when the revolver went unexpectedly became vacant, whereupon off. It was about dark when the revolver the bishop, considering how acceptable, was fired. Before Hache got out I saw Campbell seize the reins and throw the as well as deserving, he appeared to be, horse upon his haunches, I did not see presented him with it, informing him of Campbell strike Hache before Hache got

> I would not have been alarmed to go on with Campbell in the wagon. The mail bags were under our feet when I got in and gave me more room when Cambpell

At this point Mr. Tweedie addressed the Court stating that although it was evident A TORPEDO THAT TRAVELS 250 MILES AN | an assault had been committed, it had al-Hour. - The most terrible invention for so been shown that no attempt to do warfare that has been devised-if we may grievous bodily harm had been made. trust the report of our English contempor- It was quite probable that the Grand Jury aries-has recently been submitted to the | would find no bill at all, even if the case Admiralty by a clergymen, the Rev. C. | were sent up, and the only result would M. Ramu. The Whitehead fish torpedo be that the county would be put to expense has already proved its capability of that was entirely unnecessary. At best travelling beneath the surface of the sea | the affair was but an assault by a man at the rate of twenty miles per hour; but under the influence of liquor; whether the 'rocket float,' as the new machine is | Hache had also been drinking he could not called, weighs 50 tons, and is propelled say, but he believed that had he exercised on the surface at the rate of 275 miles per common prudence the whole difficulty hour for a distance, of four miles. The might have been avoided. He (Mr.T.) was apparatus is a timber or iron vessel, the willing, provided the charge of an attempt bottom of which is a series of inclined to do grievous bodily harm was dismissed planes. In the head is the explosive, and to accept arrest and plead guilty on the enough gun cotton can be carried to blow part of his client to what really happened up the largest iron-clad in existence, -an assault.

The Magistrate said there was a complaint for assault as well as attempt to do grievous bodily harm. The witness of

William Loggie, of Lower Newcastle, was then called and sworn. He testified

ing in the barn at home, after sundown and saw the mail driver coming down the road with two passengers-a lady and gentle-

Campbell did not give you cause to com-I have nothing to say against Mr. Campbell, so far as I was concerned. I did not see him throw any mail bags out of the wagon; did not see him point or fire a revolver at Hache. He aimed upwards when he fired the shot. I dont think there was any danger to me or Hache from

and pull Hache's whiskers—out of fun I think. Hache drove off very fast from Campbell and going down said he would put Campbell through. He talked a good deal about the affair after we drove off. Campbell fell once after he got out of the wagon. He staggered some. Only one shot was fired. I don't think there was any trouble about Hache delivering the mail bags out of the wagon. Campbell told Hache to drive on when the latter

ledgment of what his remedies are reputed What caused you to say if you knew to have done for the suffering sick. It was 'this was the passage you were going to donated by the Doctor to the City of Lo-He had been putting his hands on me. Did you see Campbell striking Hache? well as a permanent and speaking emblem He struck Hache two or three times after he got out of the wagon to turn the

HOW A CURATE BECAME A RECTOR. -A Did you complain to Hache of Campcurate of a London parish, of most exem-I only complained of it once, when I plary conduct, was accustomed to remonsaid if I had known the passage I was to strate very freely with any of his people have I would have been in Newcastle yet. To Mr. Tweedie:— I could not say things would have gone along all right if Hache had driven along and not minded Campwhose life was not what it should have They wished much to get rid of him, but could find no pretext for combell; could not say whether Campbell plaint. either to the rector or the bishop. snapped the revolver several times or They therefore hit upon this cunning plan

the memorial. The good man thanked out of the wagon. his people with tearful eyes, rejoicing that they had taken in good heart his freedom of speech, and assuring them that he would continue all his life the course removed them.

the complainant just examined had certainly weakened the complainant's case. If the coming British experiments sub- but he would go on, if there were other

On the evening of 14th July I was stand-

When a woman makes up her mind that a hen shall not set, and the hen man. I left the barn and went to get the makes up her mind that she will, the ir. | mail; was standing at gate when Hache resistible meets the immovable, and every and picked them up; Hache ordered him to drop them and, at the same, time jerked them out of his hands. I then walked Florence : "I have news for you, dear; over to the wagon and Hache asked me to Harry Burton has got the command of the take the mail bag in. I was about half Spitfire." Estella: "And who on earth is way to the house when I heard a noise Harry Burton?" Florence; "Who? Why, down the road, and saw a flash and heard you were dying for him when he sailed two years ago," Estella: "Two years! went down the road and when half way to My dear girl, one dies a great many times | the wagon saw a man with a white hat on get out of the wagon (this was Campbell), and catch the horse by the head. The Don't go to sleep during the first part of horse's head was then turned up the road your minister's sermon. At least pay him | towards me. I saw Campbell shaking the compliment of supposing that he will Hache-did not see him strike him.

however, after fifteen minutes you feel not appear cross at me. drowsy, you can go to sleep with a quiet | To Mr. Tweedie :- Campbell seemed a
