### Merchant's Gargling Oil!

A Liniment for Man and Beast.

Whether for use on man or beast, Merchant's Gargling Oil will be found an invaluable

Liniment, and worthy of use by every resident in the land. We know of no proprietary medi-

cine or article now used in the United Provinces which shares the good will of the people to a

greater degree than this. Yellow wrapper for animal and white for human flesh. --N. F.

Indispensable.

Extract from a letter from Geo. H. Simmonds, Unionville, Ont., July 24, 1874. -- "I am selling

your Gargling Oil like hotcakes, and I am keeping twelve different

kinds. I think it is the best remedy for horse-diseases in existence, and I can say it without fear of

successful opposition.

Extract from a letter from Geo. H. Simmonds, Unionville, Ont., Sept. 17th, 1875. -- "It is

the popular horse liniment in this country."

Extract from a letter from Geo. H. Simmonds, Unionville, Ont., Aug. 9th, 1875. -- "Tell

me of your Gargling Oil than all other liniments combined, and have seen it used on

horses and cattle with good effect when others have failed."

Extract from a letter from F. J. & Co., Herry, N. H., Aug. 26th, 1874. -- "We think your

Gargling Oil one of the best articles for what it is recommended that we have ever used or

seen."

Extract from a letter from Snowdon & Gibbs, Concordia, Kan., July 25th, 1875. -- "We sell

more of your Gargling Oil than of any liniment we keep."

### Merchant's Gargling Oil as a Family Liniment.

We are now, and have been for some years, preparing the Oil free from stain, to be used as

a common liniment for human flesh, extracting the coloring ingredient which has heretofore

rendered it objectionable. This Oil possesses all the medicinal properties of the original

with the dark tinge for horses and cattle, and will be found one of the best remedies for all

purposes where a liniment is required that has ever been manufactured.

From J. K. Fisher, Unionville, Ont., Jan. 31, 1877. -- "Your Gargling Oil does much

good, without stain, as much sought for."

The Gargling Oil called "Family Oil," although prepared intentionally for human

use, answers as well for beasts; not even, the dark Oil answers as well for human flesh, only

it will stain and discolor the skin, but not permanently. Yellow wrapper for animal and

white for human flesh.

### Merchant's Gargling Oil as an Internal Remedy.

Merchant's Gargling Oil is a diffusible stimulant and carminative. It can be taken internally

when such a remedy is indicated, and is a good substitute for pain killers, cordials and

anodynes. For Cramps or Spasms of the Stomach, Colic, Asthma, or Internal Pain, the dose

may be from fifteen to twenty drops on sugar, or mixed with syrup in any convenient form,

and repeated at intervals of three to six hours. Yellow wrapper for animal and white for

human flesh.

**MERCHANT'S GARGLING OIL** is the Standard Liniment of the United States.

Established in 1833. Small size, 25c. Large size, 50c. For family use, 25c.

Manufactured at Lockport, N. Y., by M. G. O. Co., and sold by all druggists.
