OLD LETTERS :- Any person having old letters received before 1870, can get good prices for the postage stamps thereon, by writing to Jno: Lindsay, Lock Box 3, Paris, Outario. He furnishes the best of references and pays as high as \$150.00 each for rare kinds. Leave the stamps on the envelopes as they are worth more that

AN ATTRACTION to buyers of family groceries, provisions, dry goods and general household supplies is offered by Mr. Roger Flanagan at his well known store on St. John Street, Chatham, in the form of silver knives and forks, silver spoons, silver cruet stands and boxes of tea. He issues tickets which are presented by customers every time they make purchases, and no matter show small the amount, it is punched off, and when the purchases aggregate either \$15 or \$30, as the case may be, one of the articles specified viz .- a cruet stand, or a dozen of silver knives or forks for a \$30 ticket or a 5 lb. box of tea, or 1 doz. silver spoons for a \$15 ticket is given free.

THEY HAVE HAD SOME FOG :- The Globe will, no doubt, be again denounced as an enemy of St. John by the Telegraph, for publishing the following item on Saturday

"Thick fog, such as makes life miserable occasionally in London, enveloped the town and the cause call for them; she made a this morning. Early in the day it was impossible to see objects a few feet distant. "Why," said Sergt. Watson, "in the forty two years I have been on the streets I never saw anything like it. I asked a teamster on Mill street where he was, and he told me he was on Dock street." The fog interfered greatly with the ferry service and the boats could not run on scheduled time. Many of the Carleton people employed in the city were greatly inconvenienced, and a passenger to St. Stephen, going home to spend "hristmas, missed the train in consequence." The Halifax papers will be sure to use that paragraph against St, John as a winter port and will, logically, enquire how a steamer can be expected to find a port when

pondent writes:-On Wednesday, 18th,

gloom was caused in this community by the

death of Miss Lizzie Ann Murphy, a sweet

The Bass-Fishery.

old residents of the Northwest Miramichi bass-fishing, and the prediction seems have been verified, so far. It has been a good many years since just such a freshet occurred, and as smelt-fishing by the present mode was not then in vogue, it was not the high water. It was even conjectured in some quarters that they went up-river, while others held that they were swept down Learn. Yesterday the doctor successfully river with the current.

removed two large tumors from his throat. The recent large catches above The result of the operation has been very Chatham and off Newcastle and Nelson appear to settle the matter and satisfactory to the patient.-F'ton Herald prove that the bass go down stream with have been very scarce in their usual runs in Northwest waters, while the catches refer-A meeting of the Gulf Shore Railway red to were being made further down. The fisherman say that it was while the bass west that they were taken in such large directors elected are : Jacob White, presinumbers in Newcastle and Nelson smelt

> We observe that the St. John Sun publishes the following from a correspondent:-"Any one who will take the trouble to stand on the ice at or below Newcastle and watch the fisherman drawing their smelt nets up will see a large quantity of large bass, a larger quantity of pound bass and an account for the scarcity of bass in the northwest. Can nothing be done to stop this wholesale slaughter of little bass? If allowed to continue the bass-fishing in the northwest, which has been a mine of wealth to the inhabitants, will soon become a thing of the past. Was there not a law passed some time ago by the department of marine and fisheries prohibiting smelt fishng above Middle Island, because destructire to the small bass? How then is it that men are allowed to fish smelts as far up as

The foregoing has a very familiar sound, and make pretence to love that which thy and it loses much of its force from the fact that it is on about the lines of complaints that have been made whenever the bass fishing has fluctuated adversly on the Northwest. The good people in that region appear to think that when they cannot get The last number of the Royal Gazette fish, no one else, in any other part of the country, ought to be permitted to do so. That, however, is a very narrow, selfish and extremely local view to take of the matter. We have often heard of the devices of our friends up the Northwest for capturing small bass-of the fine-meshed linings they His Honor the Lieutenant Governor has so often use in their scoop nets, and by which they capture both large and small William A. Park of Newcastle, in the fish, but we never heard of the down-river bass fisherman making any outcry about it of the Senate of the University of New although the flagrant violation of the law was well known but never adequately looked after and punished.

Those who have observed the practices of Northwest bass fisherman know that they, too often, prosecute the fishery in a reckless and wasteful way. It will be remembered that so thoroughly was this demonstrated after the period of prohibition ended will

The management committee was given power to appoint a

> The Beacon says:-"The friends of the Stratford collegiate institute will regret to hear that T. G. Marquis, A B., who has been English master of the school since January 1891 has been appointed to a similar position in Kingston and in all probability will leave Stratford at the close of the present year. Mr. Marquis is an honor graduate

Queen's University. As a teacher of English literature and composition he has few equals, and his work here has been much appreciated.' The Beacon of 20 inst. contains a report of

proceedings at the Institute connected with Mr. Marquis' leave-taking. He was presented with an address by the pupils accompanied by a number of valuable books. When the recent unusual freshet occurred, | Principal Mayberry of the Institute presided and amongst other things said that Mr. at once said that it would spoil the winter's | Marquis had been on the staff since January 1891. He had at all times worked most enthusiastically for the advancement of the school and for that reason the fact of going away was deeply regretted by all connected with the institute. Not only was clearly determined where the bass went on Mr. Marquis' departure regreted by those connected with the collegiate, but by the citizens at large. He was a citizen of whom Stratford had been proud and his removal

Mr. Dingman, chairman of the collegiate board, was present and spoke briefly. The members of the board had always looked upon Mr. Marquis as one of the ablest heavy freshets in December, for the fish teachers on the staff and were sorry that he had resigned his position. Besides being an excellent teacher he possessed literary qualifications which made him a very desirable citizen. He agreed with what another speaker were making their way back to the North- had said that teachers should be paid good salaries. He was mistaken, however, in the case of Mr. Marquis for he refused to "stay at an increased salary and gave the board no alternative but to accept his resignation.

was a distinct loss.

The Beacon aids :- Mr. and Mrs. Marquis will leave for Kingston on Monday morning. During four years they have lived in the city they have gained the esteem of the citizens and the best wishes indefinite quantity of small bass will at once of the whole of Stratford will follow them to

The ST. JOHN SUN (16 pages) has reliable correspondents in almost every section of New Brunswick, Nova Scotia and of the Maritime Provinces to an extent far temporaries. Send for a sample copy, which will be mailed free to your address. Every page is full of good reading. The latest news of the world will be found in its

reports, sporting events, farm and dairy matters, marine intelligence. Talmage's sermons, short stories, and much pure reading for the home circle. If you have a relative or a friend living in some foreign Books or Jewellery. land, mail him the WEEKLY SUN. will keep him in touch with the old home and well posted on all that transpires in

The Christmas Bowl.

Upraise the Christmas bowl to-night And let a health go round To those we love in every land, To those who 'neath our roof tree stand May Christmas joys abound

Wassail.

Upraise the bowl-we toast the lass, The one we love the best, Whose love hath made our life to shine-Turned earth to Paradise divine.

The work day world to rest. A Rose by any other Name

Would smell as sweet. It's not the name but the thing which the name stands for, which counts. It is not the high priced bottle, with which the public is concerned. The public wanted a good but cheap wine, and this the Bordeaux Claret Co. have supplied, in Clarets, burgundies, and sauternes, at the lowest price ever offered in the history of wine selling in any country -\$3 and \$4 per doz. quarts. And yet the wines are excellent. They have age; they have robustness; they have bouquet. Wine for the poor man at last; a wine which will not hurt him, but rather build him up. The wine for the people. Address-Bordeaux Claret Co., 30 Hospital Street, Montreal.
