DANGEROUS CONSOLATION. All Right in a Day or Two, But the Day

"All right in a day or two" is the thought that consoles every one who is suffering rom any indisposition that does not prostrate him. In the case of a per on bedridden for months with disease of the Kidneys being asked, "Did you not have any warning of this condition you are now in? Yes, I was bothered at first with backache, with occasional headaches, but did not consider myself sick or the necessity of medicine further than a plaster on my back or rubbing with my favorite liniment. It was months before I began to realize hat it was useless to further force myself to ignore my condition. The backache had become a pain in the back and sides. weak and tired feeling, high-colored urine with obstructions and stoppage, pain in the bladder, palpitation of the heart, poor appetite, indigestion, and a dull, languid feeling, with entire lack of and shipped vesterday to Neguac It is to be used Had the first signal of distress in a goose-shooter's camp at Tabusintac and for from the Kidneys-Back-ache-received The December number of the Delineator that purpose as well as for heating and cooking in smelt-fishermen's shanties it is just the thing I the assistance of Chase's Kidney-Liver Pills, the after state of misery and suffering would have been avoided.
