

Miramichi and the North Shore, etc.

NELSON.—A sale and tea will be held by the ladies of St. Mark's, Nelson, on Wednesday, 28th July.

THE KEARY PROPERTY, St. John street, has been sold. The price is understood to be \$1,650.

THE MARY-GO-ROUND working by steam is being set up on the old skating rink floor, St. John and Church Sts.

EPHIE ELAINE HEDDY's entertainment in Masonic Hall, Tuesday night was a very enjoyable one. Hon. Mr. Tweedie presided.

PERFECT HEALTH.—It is to be hoped, for the well-being of those concerned, that the Sun does not express its editor's idea of perfect health while he is sojourning at the Dominion capital.

PRESBYTERY OF MIRAMICHI.—The quarterly meeting of the Presbytery of Miramichi will be held at Newcastle on Tuesday next the 25th inst. at 10 o'clock Standard time.

A VERY HEAVY FRESHET prevailed on the Tabasco and Bariblog last Thursday and Friday, caused by rainfall on their bed and water. The Little Bariblog did not about five feet, while the other rivers rose about five feet.

THE NEW BASS REGULATIONS are causing angry protests from the salmon fishermen. It was believed that an enquiry and report by competent and disinterested local men were to be ordered by the department for its guidance, but the new regulations were made without it, and they do not appear to be satisfactory.

THE "ST. ISIDORE"—Mr. Snowball's new light draft steamer—has gone into regular service. She has developed unexpected speed and presents an attractive appearance, now that her houses are finished. Her accommodations are good and altogether she is a valuable addition to the Miramichi steam fleet.

CONGRATULATIONS are in order to our friend of the Advocate, who has charged his mind in reference to Mr. T. V. Butler. When that gentleman proposed to establish himself in Newcastle, the Advocate practically told him he wasn't wanted. Now it is almost mandarin in expressing its admiration of him. Mr. Butler deserves much credit for his work, but the Advocate's suddenly developed regard for him reminds one of Fagin's solicitude for "leedle Oliver".

PICNIC.—There is to be a great good time at Napan on July 1st—Dominion Day—when a picnic is to be held at the middle district school and grounds. Dinner may be had from 12 until 2 p. m., tea from 5 to 8 p. m., and there will be various popular amusements including dancing, which is to begin at 2 p. m. and be kept up during the afternoon and evening. An efficient committee will be in charge and patrons are guaranteed a good time.

MR. RUDDOCK'S NEW STEAM YACHT—the "Arthur"—has had several spins on the river and her speed and appearance are favorably commented on. Our reporter boarded her on Tuesday evening and with only seventy lbs. of steam, she went twice over a measured mile—up and down river—in 12 min. 50 sec. or at the rate of 9 1/2 miles an hour. With pressure of 90 lbs., which the boiler is calculated for, she ought to make between eleven and twelve miles an hour, which is very fast for a boat of her class.

PERSONAL.—The friends of Dr. Atkinson M. P., for Carleton county, say that his visit to Los Angeles is not expressing the desired effect that was hoped for.

LIGHTHOUSE INSPECTOR KELLY has been on the Miramichi since Thursday last week. He has been making trips down river on the steamer Laura, sometimes having a large tow—with a supply of oil for the lighthouse and some of the lighthouses and buoys.

THE MANY FRIENDS all over the province, of Mr. C. E. McPherson, district passenger agent of the C. P. Railway, will regret to hear that he has severed his official connection with the St. John office of that line and removed to Toronto. They will, however, be glad to know that his removal is in the way of promotion and that he is to be district passenger agent in his new locality, which is next to the largest and most important connected with the great continental road.

HARRY HODD SUICIDES.—A despatch from Richmond, Me., says Harry Hodd, 35 years old, of St. John attempted suicide on Monday, June 10th by cutting his throat with a butcher knife, and now lies in a serious condition. Hodd had been drinking heavily. He is a son of the late John Hodd, who died at Chatham last March. Hodd moved to Chatham where he lived in St. John and earned his living as a fisherman. His wife was a St. John lady and her maiden name was O'Neill. His mother died in St. John in the Public Hospital last month.

THE ST. JOHN GLOBE of last Friday says: "The selection of Richmond, Me., have written Mayor Robertson informing him of the death of Harry Hodd, who is a son of this city, who cut his throat from ear to ear while on a spree. The Mayor is despatching a messenger to Richmond to notify Hodd's relatives that the sale of distribution of liquor by the steward of the club was not a sale within the meaning of the act. L. A. Carrey supported the conviction and the court were unanimous that the conviction was right. Barker, J., did not hear the argument and took no part.

"The case will probably be appealed to the supreme court at Ottawa."

Fort Warden. An Ottawa despatch says:—Wm. Muirhead of Chatham, N. B., has been appointed portwarden of the port, vice H. A. Muirhead.

Fire at Napan. On Monday evening the dwelling of the widow of the late Arch. Campbell, on the south side of Napan river, near the Right-bank road, took fire and with the aid of the neighbors most of the furniture was removed, while others were engaged in subduing the flames. It was thought the fire was extinguished and the furniture was moved in again, all seeming right during the night. On Tuesday morning, however, the fire broke out afresh about 9 o'clock and it was seen that it had the mastery, all that could be effected was to save the contents, which was done, the house being entirely consumed. We understand there was no insurance.

Drowned. On Tuesday afternoon, Fred A. Johnston, 35 years old, 3rd engineer of the Furness Line steamer Madras, new loading deals at the Snowball mill wharf, was bathing, with the 4th engineer. He swam to the up stream end of a scow that was moored near the vessel, was sucked over by the down running tide and disappeared. Capt. Albert Patterson, master of the Madras jumped on the scow and let himself into the water in search of the poor fellow, getting a

through soaking in his humane and courageous effort to save life, and he also had a rope passed under the scow in the hope of dragging Johnson out, but all to no purpose. Deceased was a native of New York, but his home, where he leaves a widow and six year old daughter, was in London. The body had not been recovered up to the time of writing.

Legere-Mansuetti. On Monday of last week Mr. Seraphin Legere of Carquet, and Miss Elizabeth Mansuetti, daughter of Lazar Mansuetti Esq. of Fortage, River were married by the Rev. J. A. Babineau, Parish Priest, at Tracadie.

The young couple spent the day at the residence of the bride's father, where everything was characterized by the most fitting arrangements for the joyful event and every one appeared to be delighted with the festivities. On Tuesday—the next day—the newly-married couple drove to Carquet, accompanied by a great many of their relations and friends. Their arrival was joyfully greeted. Their numerous friends extend their best wishes for long life of unalloyed health and happiness.

The bride was presented with a great many valuable gifts from her friends in St. John, Sussex, Chatham, Tracadie and elsewhere. The groom is Organist of the Carquet church a member of the C. M. B. A. and leader of the Carquet Band. An ADVANCE joins in the congratulations over the happy event.

Bishop Sweeney's Return. MONROE, June 16.—His Lordship Bishop Sweeney, accompanied by Bishop McDonald and Rev. Dr. Walker of P. E. Island and Bishop Cameron of Antich, reached here this morning, being passengers by the mail steamer which arrived yesterday. The three former stayed off at Moncton, partly owing to the fatigue which the venerable bishop of St. John felt after the long journey. They knocked the ball widely into the woods.

The honor was greatly appreciated by St. Bernard's congregation here, and the services to day were of a special nature. Bishop Sweeney celebrated mass at 8.30 o'clock, at which the Juvenile League of the Sacred Heart received Holy Communion, after which His Lordship addressed the congregation.

At 1.30 o'clock Bishop McDonald described his first visit to the Holy City. In the evening services were sung by Rev. Dr. Walker of P. E. Island, after which His Lordship, Bishop Sweeney, was presented with a fitting address which was signed, in behalf of St. Bernard's congregation, by Messrs. John Sutton, Peter McSweeney, J. J. Walker, Simon Melanson, James Hamilton, E. Girouard.

His Lordship made a suitable reply, complimenting the congregation of Moncton. ST. JOHN, June 17.—His Lordship Bishop Sweeney was given a royal welcome by the people of his diocese last evening at the cathedral. Representatives from various parishes were present. He was presented with an address of welcome and joy at his return and the address was accompanied by a check for \$900.

His Lordship replied in a very feeling manner, thanking his friends for the heartiness of their expressions on this occasion. He said he had only been absent from the city about six years during his long ministry of 60 years. He expressed in a very feeling and emotional manner the love he bore for those who had made his pastorate so successful. He thanked his flock for this manifestation of their good will but above all for their love of religion.

His Lordship before giving his benediction gave the papal benediction which His Holiness had sent to the congregation. After the service had ended the City Corset band serenaded His Lordship.

Their Name is "Marks". In the dramatization of Uncle Tom's cabin there are two characters named Marks. What one says to the other repeats, and it happens that they are always engaged in some business which reputable persons would shrink from. There are three individuals of the provincial press who ought to bear the name of Marks. We have one each in Chatham and Moncton, not to mention another in Newcastle. They give much of their thoughts to the question of how many natty things they can, through editorial and correspondence in their columns, publish about the editor of the ADVANCE. When about the editor of the ADVANCE. When about the editor of the ADVANCE. When about the editor of the ADVANCE.

The Rev. L. Jack came from Scotland to New Brunswick nearly 50 years ago. He was soon afterwards inducted into the Presbyterian congregation of St. James, Charlotte Co. After a five years' pastorate he was translated to the congregation of Springfield, where he labored with great success for upwards of 30 years, much beloved by all who knew him. Mr. Jack was one of the pioneers of the Presbyterian church in New Brunswick. He is a truly evangelical preacher, and in the days of his vigor was an impressive and enthusiastic speaker. He is now 84 years of age, and still wonderfully strong. His saintly partner died a number of years ago. Her name is still fragrant in Springfield, where she greatly assisted her husband in the work of the Lord. Mr. Jack retired from the active duties of the ministry a few years ago, and is spending the remainder of his days in the hospitable family of Dr. King, his son-in-law. It is the ardent wish of many friends that he may be spared for many years yet, and that they may be as sunny as the past.—(Review)

The Chatham Club Cases. In the Supreme Court at Fredericton on Wednesday of last week the case on appeal—ex parte Coulson was considered. A despatch to the Sun says:—"This was a Canada Temperance act conviction against the applicant, who was steward of the Chatham Social Club. The club obtained a large certificate last term and the case was argued for them this term by Dr. Pugsley, who contended that the sale or distribution of liquor by the steward of the club was not a sale within the meaning of the act. L. A. Carrey supported the conviction and the court were unanimous that the conviction was right. Barker, J., did not hear the argument and took no part.

"The case will probably be appealed to the supreme court at Ottawa." Last Thursday's Globe published the following:—"The Chatham Club Social Act cases have taken a new turn. As the trial of one of the cases Mr. Coulson, the steward of the club, was one of the witnesses. He refused to answer some of the questions put to him on the ground that the answer might incriminate himself. The prosecution argued that the new evidence act took away this objection because the evidence given could not be used against Coulson if an information should in the future be laid against him. Mr. Coulson still refused to answer, saying they might get from him answers showing a sale to certain person and then lay an information against him (Coulson) and bring the others as witnesses. The commissioner committed Coulson to jail for refusing to answer, for a period of eight days, and adjourned the court for one day.

"Mr. R. B. Bennett to-day applied to Judge Tuck for a habeas corpus order to release Coulson on the above ground and also on the grounds that the commissioner had no jurisdiction, as the real name of the case was 'Chatham Civil Court' and that the papers in the cases have all been entitled in the 'Civil Court of Chatham'; that the period of commitment of the witness must be for the same time as to the adjournment of the court.

"Judge Tuck granted an order, returnable on Saturday." (Globe of 15th.) The application to have Wm. Coulson, caretaker of the Chatham Social Club, released from the eight days' imprisonment to which he was condemned by the Chatham Parish Court Commissioner, for contempt in refusing to answer a question, was heard

by Judge Tuck. Messrs. W. Pugsley and R. B. Bennett appeared for Coulson, and L. A. Carrey and Wm. Butler against him. Coulson's counsel argued that he was not bound to answer the question because it might incriminate him, and also that the commissioner had no jurisdiction. On both these points Judge Tuck decided against them. On the third point that the period of imprisonment and the period of adjournment of the court must be co-extensive, and that, if not, the prisoner should be allowed a hearing at the adjourned sitting, there was quite a discussion. Judge Tuck said his opinion was the commissioner had the power to commit, and was not required to have the prisoner before him at the adjourned session, but, as the matter was an important one, he would consider and give judgment on Monday. Coulson's term expires on Wednesday.

Mr. Justice Tuck decided against the Club on all points in the habeas corpus proceedings and in the trial at the Police Court before magistrate Fraser counsel for the Club were convinced that he would decide all the cases in favor of the complainant, so they effected a settlement by which they paid \$265, which included the three Coulson fines of \$150, and all expenses to date, in consideration of the Inspector dropping all proceedings—it being understood in behalf of the Club that it was to cease dispensing intoxicating beverages to its members.
